VCE® Economics

SCHOOL-ASSESSED COURSEWORK

Introduction

Students use their understanding of Australia's economic system, influenced by Australian Government economic intervention, to analyse goods and the price system, production, markets, and distribution of these goods and other characteristics.

Task
Economic questions:

How would it be manifested as an individualistic task, where students fully discuss but they consider their position as if they had accepted the position of it?

How does the price system in the economy as a whole, as a whole, affect the price system and the distribution of goods?
