The Vanishing Code Dane Striker, They thought he was dead He preferred it that way Until the algorithm started killing Gid Kane walked away from the shadows years ago burned buried and officially deceased When a tech CEO turns up murdered in his penthouse and the scene mirrors a classified kill pattern he knows one thing his long dead algorithm is active again and someone s using it to kill Teaming up with an analyst hacker and a brilliant no nonsense ethics professor he is pulled into a deadly conspiracy that reaches deep into government black sites and private tech empires Every clue points to a new puppet master and every lead risks exposing his past Staying in the shadows though won t stop what s coming This time the code doesn t just predict the next victim it makes Gid one of them Packed with explosive twists covert operations and a relentless pace *The Vanishing Code* is a gripping thriller for fans of action conspiracy and lone wolf heroes who don t know when to quit Themes conspiracy thriller government conspiracy action thriller secret agent thriller black ops thriller military thriller spy thriller tech thriller hacker thriller AI conspiracy rogue operative former Navy SEAL deep state thriller algorithm thriller dark tech thriller thriller with female lead fugitive thriller hit list thriller assassination thriller fast paced thriller suspenseful action book CIA thriller FBI thriller man on the run vigilante justice deadly secret political thriller international thriller cyber thriller covert ops espionage thriller espionage *The Driving Book for Teens* Maureen Stiles,2025-06-17 Stay safe and smart on the road a complete driving guide for teens Learning to drive is an exciting milestone for teens that comes with an amazing sense of freedom and independence but it s also a big responsibility Help them be cautious and confident behind the wheel with this ultimate guide to driving for teens The rules of the road Make it easy for teens to learn road signs proper turning and passing etiquette defensive driving and more Acing the test Teens will find 100 practice questions and an explanation of what their written and driving tests will look like so they can be as prepared as possible Cars 101 Give your teen an overview on caring for their car from filling the tank to getting oil changes and knowing what all those lights on the dashboard mean Safety first Ensure your teen knows what to do in an emergency or if they are pulled over how to handle bad weather and simple ways to avoid distracted driving If your teen has getting their driver s license on the list for summer activities pick up this book today and turn them into a savvy driver who s ready for any situation [Learn to Drive Smart](#) ICBC, Whether you are new to British Columbia taking a re examination or brushing up on your driving skills the Learn to Drive Smart guide gives you the basic information to help you drive safely The guide will also help you prepare for the knowledge test and Class 7 and Class 5 road tests Google Play may require a credit card to activate your account ICBC does not collect your credit card information and the driving guides are free Please see Google Play Terms of Service for more information **The Kira Brightwell Starter Collection** Jacquelyn Smith,2023-11-23 Kira Brightwell enjoys two things outsmarting bad guys and kicking ass Well that and listening to Nine Inch Nails Bonus if she can manage all three at once She never expected anyone to call her a hero But when life throws a punch Kira always finds a way

to hit back This fast paced starter collection includes the first three novels from the Kira Brightwell mystery series by the author of the Mackenzie Quinn mysteries Jacquelyn Smith Originally published under the pen name Kat Irwin Split Decision Kira Brightwell Book 1 Black and Blue Kira Brightwell Book 2 Low Blow Kira Brightwell Book 3 Split Decision Kira Brightwell Book 1 Kira Brightwell never planned to become a private detective Or a local hero for that matter She only wants to hone her MMA skills And focus on her own personal need for vengeance and closure While listening to Nine Inch Nails But people call Kira a hero for a reason She never walks away from trouble And between her wits and her fists she can take down just about anything that gets thrown her way Meet Kira in action in this first novel in the Kira Brightwell mystery series If you love a clever heroine who kicks ass grab this book Black and Blue Kira Brightwell Book 2 Kira Brightwell hates to lose in the MMA cage or outside of it But her failure to capture the serial abductor known as the Procurer rankles most of all Four months Four months spent obsessing over the last time he slipped through her fingers with nothing to show for it Time to move on at least for the moment For her own sanity if nothing else Easier said than done This fast paced suspenseful novel pushes Kira deeper into uncharted territory as a problem solver for hire with dangerous consequences Follow the path of a clever heroine s obsession in this second book from the Kira Brightwell mystery series Low Blow Kira Brightwell Book 3 Kira Brightwell knows how to take a punch Actually she prefers throwing them Abduction theft murder She faces all these crimes and more on her own terms as a private detective for hire She also searches for any clues that might fulfill her quest for vengeance against the man known only as the Procurer But a recent twist in circumstances leaves her rocked The growing legend of abduction survivor and local hero Kira Brightwell takes an unexpected turn in this third novel in the Kira Brightwell mystery series Third Round: A Kira Brightwell Collection Jacquelyn Smith, 2020-11-20 Kira Brightwell would give anything for a nice straightforward case Since her fall from grace with the local media nothing in her life seems simple anymore Lowball requests to track down missing dogs and cheating boyfriends hardly count But whenever Kira gets involved even the simple things get complicated and dangerous Kira fights back in this third collection of cases from the Kira Brightwell mystery series by award winning author Jacquelyn Smith Low Blow A Kira Brightwell Novel Kira Brightwell Book 3 Puncher s Chance A Kira Brightwell Short Story Seeing Stars A Kira Brightwell Short Story Low Blow A Kira Brightwell Novel Kira Brightwell Book 3 Kira Brightwell knows how to take a punch Actually she prefers throwing them Abduction theft murder She faces all these crimes and more on her own terms as a private detective for hire She also searches for any clues that might fulfill her quest for vengeance against the man known only as the Procurer But a recent twist in circumstances leaves her rocked The growing legend of abduction survivor and local hero Kira Brightwell takes an unexpected turn in this third novel in the Kira Brightwell mystery series Originally published under the pen name Kat Irwin Puncher s Chance A Kira Brightwell Short Story Local hero and problem solver for hire Kira Brightwell finds herself on the run Again Her running shoes pound the crowded sidewalk A trickle of sweat slithers down her back in the California heat And the damp remains of

scrambled egg spatter the front of her favorite Nine Inch Nails T shirt The egg stain earns her a few looks from passers by That and her breakneck pace Kira s quarry remains two blocks ahead of her She needs to haul ass if she wants to catch him Because when a bad guy messes with her favorite shirt the case gets personal A stand alone misadventure story from the Kira Brightwell mystery series Seeing Stars A Kira Brightwell Short Story Kira Brightwell might not wear a badge But she still enjoys the challenge when she unravels a difficult case The case of Taylor Christie proves no exception The social media starlet prepares to shoot a video when things go wrong Horribly wrong With an entire crowd in attendance And more than Kira knows stands between her and the truth about what happened A twisting stand alone story from the Kira Brightwell mystery series If you love a clever detective who plays by her own rules grab this book *The Rotarian* ,1984-05 Established in 1911 The Rotarian is the official magazine of Rotary International and is circulated worldwide Each issue contains feature articles columns and departments about or of interest to Rotarians Seventeen Nobel Prize winners and 19 Pulitzer Prize winners from Mahatma Ghandi to Kurt Vonnegut Jr have written for the magazine **TopDriver Car & Bike driving handbook** Naresh Raghvan,2017-06-21 Ever wondered if there is a way to drive on our Indian roads without getting into an accident The good news is it s possible Most people think that there are too many bad drivers out there so even if you follow the rules others may involve you in an accident The truth is that by following rules learning advanced driving techniques and defensive driving techniques you can ensure a lifetime of safe driving There are thousands of people who do this all over the country By picking up tips from this driving handbook you can also learn to drive efficiently and safely like the pros Good driving techniques can be learnt by anyone who has an open mind Good driving is science not chance Driving is something you will be doing most of your lifetime So give yourself the gift of safe driving with this book **Circle H Ranch** Richard Kohn,2010-08-27 Circle H Ranch On the Arizona Border is the story of present day life on a southeastern Arizona ranch along the Mexican border The ranch owner has to deal with his workers being shot at Gangs are bringing drugs and weapons into the US They will kill anyone that gets in their way The rancher hires a part time forklift operator He turns out to be able to do more than load and unload trucks Can he save the people on the ranch Why wont the government help The news said that a military helicopter on a training mission crashed in a storm along the border Did the storm cause the crash or did something else Why arent the survivors talking Did twelve men coming into the country illegally die in a car crash near Benson or did they die somewhere else and the government just says thats where they died How was this related to the ten illegals that died in a similar crash in New Mexico What is the Mexican Army doing in Arizona in force Why did the Mexican Federal Police chase a US citizen into Arizona from Mexico Join Sam his Auntie Vegas and Harold and find out the answers to these questions Circle H Ranch All the shooting sequences in this book are as accurate as I can make them All the guns used by the good guys I have access to All the shots can be duplicated on paper targets None of the shots or shooting sequences are difficult for anyone that has good shooting skills The matches mentioned in the book really exist Tuesday Night Steel has

run continuously since 1982 The match currently draws one hundred and twenty to one hundred eighty shooters every Tuesday night Any safe shooter can enter any of the matches after a brief class before the match For more information on the matches go to www.riosaladosportsmans.com

Token Economy Shermin Voshmgir, 2025-04-20 The third edition of Token Economy is not just an update it is a reworking of a foundational book that has helped thousands make sense of how Bitcoin and other blockchain networks like Ethereum or Solana are reshaping our digital financial and political systems The book serves as an excellent primer for understanding the key aspects of the technological infrastructure as well as the decentralized applications built on top of it from DeFi to various token types and decentralized organizations It also explains the difference between DeFi CeFi and TradFi why blockchain networks can be considered the backbone of Web3 and the increasing role of AI This edition adds many practical use cases blending history systems theory and real world use cases to demystify everything from Bitcoin to Tokens and DAOs It explains how blockchain architecture token design and incentive mechanisms intersect with regulation politics and economics You ll learn how crypto rewrites money what stablecoins actually do how DAOs govern digital communities and why many token ecosystems fail not because of code but because of incentives and governance If you re learning building investing teaching or regulating in Web3 this book offers critical clarity in a field full of jargon As a longtime voice of clarity in the crypto world the author Shermin Voshmgir weaves together historical analysis technical insight and interdisciplinary critique in a way that makes complex systems both legible and accessible The third edition includes many more use cases than previous editions and reflects a maturing industry one where many early promises of decentralization have collided with the realities of centralization custody risk regulatory capture and broken incentive design While many books on crypto focus on trading or superficial overviews the book remains rooted in systems thinking and long term relevance

What This Book Offers A holistic framework for understanding Web3 infrastructure including blockchain architectures consensus mechanisms privacy scalability and the economics of decentralization A critical exploration of money and tokenization offering both historical context and future scenarios It asks hard questions about whether cryptocurrencies and stablecoins can replace fiat money and explains how financial literacy remains the first line of defense against fraud and hype A grounded analysis of decentralized autonomous organizations DAOs and purpose driven tokens using real world case studies of protocols like Bitcoin Helium Ocean Protocol and MakerDAO A design thinking framework for evaluating token incentives governance structures and stakeholder dynamics bridging political science economics cybernetics and complex systems theory Whether you re a builder policymaker regulator academic investor or simply crypto curious Token Economy will help you Understand the difference between hype and real infrastructure Explore the incentives and governance dynamics embedded in every protocol Make better decisions around investing building or regulating digital assets Bridge the gap between idealism and realism in Web3
