Ashing,2015-04-15 West Chambers Georgia was not a large town but it held close to its own The town had become somewhat isolated from the outside world In keeping with that disconnection conformity was mainstream If you stood out in appearance or mind set you were looked down upon With this public viewpoint no one was more out of place than Nathan Kole As the son of a hero cop there were many high expectations on his shoulders but he didn t seem to be living up to any of them in the eyes of the townspeople He had enough trouble already after a tragedy hit his home triggering a series of nightmares that he has been unable to escape The only person he ever confides in is the new girl at his college Samantha was also a bit of an outcast not following the popular feminine trends She like many others in town had her own secrets Erick was born within a dark secret society led by his wealthy father Recently discharged from the army he returns home to the wife chosen for him Erick s father still holds a tight grip on him even after his imprisonment When they found the young witch named Jessica holding a book written in a dark language that only Erick could understand it became apparent that the four of them were connected in some mysterious way Their journey to discover what ties them together will lead them down a path soaked in blood and paved with the bodies of the unfortunate caught in the crossfire *INDIA, DEFEAT CORONA* Lakshminarayana K,2020-07-31 My e book under the title India Defeat Corona is a fictional novel It is aimed at kindling hope and confidence among my readers We have to draw inspiration from the popular adage that every crisis is an opportunity We all have to learn to live with the virus Simple methods like social distancing frequent washing of hands using soap and wearing of masks can help us in keeping the virus at bay to a large extent Our scientists all over the world are burning their midnight oil in finding a suitable vaccine to contain this pandemic which seems a possibility by the end of this year We can t halt the progress of our economy just for the fear of one tiny virus It s a question of lives Vs livelihood Stoppage of economic activities can be more disastrous than the pandemic itself Thanks to our corona warriors who are working hard to contain the pandemic Let s salute our farmers workers technocrats bankmen businessmen and others who are daring to go ahead

ignoring the threats of the disease In fact what can help us in defeating Covid 19 is our Positive Mental Attitude I am sure that we will win this war of pandemic Vs people Cargon Kimberly Gould,2011-06 Lives are won lost and traded on the three tiered Cargon boards Eve a serving girl has watched the elite from the outside seen the dramatic shifts based on the results of the Game With a growing need to reach beyond her station she can no longer accept her position on the edges Wagering her own life she wins and emerges in a strange new world New rules and old acquaintances tangle to make Eve s life less comfortable than her position would suggest One pawn moved but an entire world shaken Eve will change the world
