*THE POLICE OFFICER'S GUIDE TO OPERATING AND SURVIVING IN LOW-LIGHT AND NO-LIGHT CONDITIONS* Tony L. Jones, 2002-01-01 The majority of crimes occur during the hours of darkness and fully two thirds of all shooting incidents in which police officers on duty are killed take place during hours of diminished light The goal of this unique book is to increase officers awareness that training in low light and no light conditions is necessary in order for them to prevail in such situations to help facilitate correct decision making under these conditions and to help them understand the use of a myriad of illumination tools available for professional use today Major topics include 1 dim light and no light doctrine including navigation techniques threat location threat acquisition and threat identification 2 flashlight doctrine including many examples of engaging a threat using a flashlight 3 low light weapon sighting systems 4 techniques used for signalling during dim light and no light conditions and 5 illumination technologies supporting tactical and emergency operations including infrared systems thermal imagers night vision systems strobe lights and lasers Through the use of the techniques described throughout this unique and comprehensive book the skill professionalism and ability of police officers to operate and survive in dim light no light and artificial light conditions will be enhanced , **Firearms, the Law, and Forensic Ballistics** Tom Warlow, 2011-11-17 While gun design has undergone only minimal change over the centuries investigative tools surrounding firearm use have grown significantly in sophistication Now in its third edition *Firearms the Law and Forensic Ballistics* has been updated to reflect recently published research and new technology developed since the last volume Beginning with *American Rifleman* , 1929 **Uncharted Waters** Norman Fishler, 2022-08-01 The purpose of this book is to give ChristaEURcentered believers an objective look at how a community of believers has the ability to not just survive in the roughaEURandaEURtumble times that a postaEURfinancialaEURcollapse world will inevitably lapse into but actually thrive ChristaEURcentered leadership is the key Honoring God the Father and His Son Yeshua in all aspects is something that the author strove to hear God s leading on from start to finish Over the last twenty years many books articles and movies have been written and filmed about the postapocalyptic world both fiction and non fiction howaEURto centering on what to do and how to do it Most if not nearly all have focused on a few major topics with perhaps another one or two side issues In this book the author has endeavored to cover as many facets as possible that will come into play as given to him by God s Spirit Financial collapse firearms selfaEURdefense breakdown of law and order cannibalism barter invasion by the UN the setting up of a retreat basic survival skills and medical care by amateurs have all been covered in other works and usually quite well But as they say on TV wait there s more much much more Also woven into this work are torture suicide homosexuality and the subsequent deliverance from it along with the very real probability of Islamic terrorism Then we get to for the most part the forgotten wild cards a command structure for the leadership unparalleled cataclysmic geological upheaval pandemic outbreak the setting up of a city of refuge for God s people and without question the most neglected yet

far and away most important deciding factor in all this the last days move of God Mix all these factors together and there we will find ourselves in uncharted waters      Pistols Jeff Kinard,2004-11-23 The development of the pistol helped bring the age of the armored knight to an end provided the elite with a status symbol of dangerous glamour and inspired both artisans and industrialists to reach new heights of invention Pistols follows the evolution of personal sidearms in Europe the United States and Asia from medieval era hand cannons with their clunky ignition systems to the revolutionary Colt revolvers of the 19th century to the modern semiautomatic weapons of today Full of fascinating insights and details this work shows how pistols brought about the decline of knights in armor and ultimately replaced the sword on the battlefield The book also explores the pistol s astonishing democratization as it moved from being a luxury item of the nobility to standard issue for soldiers to a mass produced commodity and source of intensive corporate competition Along the way readers meet the many colorful characters often eccentric geniuses who devoted themselves to pistol development      **The Official Guide to Collecting Handguns 1985** House Of Collectibles,1980-01-02      *Catalog of Copyright Entries.
