When You Are Applying For SNAP

- You can file an application the same day you receive it. We must accept your application if, at a minimum, it contains your name, address, (if you have one), and a signature. This information will establish your application filing date.
- You must complete the application process, including having an interview and signing the certification statement on page 8 of the application/recertification for your eligibility to be determined. If you are eligible, benefits will be provided back to the date you filed your application.
- You can apply for and get SNAP for eligible household member(s) even if you or some other members of your household are not eligible for benefits because of immigration status. For example, ineligible alien parents can apply for SNAP for their children and receive benefits for their eligible children.
- You can still apply and be eligible for SNAP even if you have reached your Temporary Assistance time limits.
