current debt problems worse no matter what monetary and economic policies we might choose The World After Cheap Oil offers a thorough package of information about oil its uses and its role in our society s important sectors It presents the most prominent substitutes and alternatives and their limits and promises It also delves deep into the many risks problems and mechanisms that can make the world after cheap oil a much more unstable place for nations and humanity as a whole The book also explains why there has been so little public debate on the subject and what the future might look like after oil production starts its final terminal decline     Policing & Firearms Clare Farmer,Richard Evans,2022-10-31 Policing and firearms it is a crucial relationship Should police be routinely armed If so what restrictions should be imposed on the use of firearms Where police are not routinely armed there is still a need for specialist armed police how do these units operate and are they effective This ground breaking edited book explores the nexus between policing and firearms with a genuinely international focus Contributors from Ireland Germany the United Kingdom Brazil Mexico the United States Venezuela New Zealand Australia and Canada explore the issues from a range of perspectives including human rights militarization police legitimacy and the risks police firearms pose to the community and to police themselves This thought provoking collection is an indispensable resource for law enforcement policymakers and students of policing and criminal justice     *Autocar* ,2002
