Evil Women John Marlowe, 2017-07-11 Many people find it impossible to believe women are capable of committing brutal murders but this book shows otherwise Katherine Knight donned a black negligee before stabbing her lover John Price 37 times then serving up his corpse for dinner with baked potatoes pumpkin and all the trimmings Sue Basso became supermarket packer Buddy Musso's lady love but his dreams of happiness were shredded when

she and her friends tortured him to death for a paltry 15 000 life insurance policy Shelly Michael injected her husband with a drug that led to death by slow suffocation then she set their house on fire Each of the cases documented here makes for a chilling read proving that evil transcends the sexes *Evil Wives* John Marlowe,2009-09-01 Many people find it difficult to believe that women are capable of extreme acts of violence so female killers have often been able to evade the long arm of the law for extended periods of time Indeed the concept of the evil wife seems much more shocking than that of the evil husband perhaps because women are so closely associated with nurture and support in western society In the case of most women society's trust is not misplaced but one must be ready to accept there are always exceptions such as the women you'll encounter within these pages who all proved themselves far deadlier than the male *Evil Wives* focuses on the most horrible crimes ever committed by women Author John Marlowe presents a carefully chosen cross section of history's deadliest female criminals whose fascinating life stories are viewed with an unflinching gaze making for a chilling but engrossing read Features Nancy Kissel Kimberly Hricko Jane Andrews Rita Gluzman Nancy Nannie Doss Rosemary West
