dollar settlement of 2016 one of the largest civil settlements in the history of environmental law As it shows the Dieselgate affair has raised a host of issues concerning corporate and social responsibility tort liability environmental liability contractual defective products warranty and false environmental claims in a range of jurisdictions Issues like repurchasing or retrofitting cars from consumers and making direct payments to consumers through car buy backs and compensation are analysed Further the book relates how Dieselgate has also contributed to the discussion about the introduction of more effective collective measures of redress for consumers such as class actions in Germany France Italy and the UK The book subsequently reviews the criminal offences Volkswagen is currently confronted with in Germany France and Italy i e fraud and manipulation of capital markets by belatedly providing shareholders with essential information relevant for the share value and potentially environmental crimes It demonstrates how Dieselgate has sparked new debates in Germany Italy France and the UK about the need to introduce enterprise liability for organised crimes lack of compliance and control structures and intentional violations of the law Lastly the book discusses how EU law has sought to respond to Dieselgate and thus investigates the controversial EU Regulation No 2016 646 introducing a temporary conformity factor of 2 1 equivalent to a 110% increase on the current limit to be applied for NOx in the new RDE testing cycle and the works of the EU committee of inquiry into Emissions Measurements in the Automotive Sector EMIS Lemon-Aid New and Used Cars and Trucks 2007-2018 Phil Edmonston,2018-02-03 Steers buyers through the the confusion and anxiety of new and used vehicle purchases like no other car and truck book on the market Dr Phil along with George Iny and the Editors of the Automobile Protection Association pull no punches **Focus On: 100 Most Popular Station Wagons** Wikipedia contributors, **Focus On: 100 Most Popular Sedans** Wikipedia contributors, **The Truth About Energy** John K. White,2024-02-08 This book provides everyone interested in driving the renewable energy transition with a foundation to understand modern energy technology Focus On: 100 Most Popular Compact Cars Wikipedia contributors, **Pitfalls of Corporate Leadership** Francis J. Clauss,2023-03-30 Our nation is still reeling from the 346 fatalities suffered on two flights of the Boeing 737 MAX 8 planes the first in May 2017 and the second in March 2019 These are just one of the series of costly and deadly consequences of defective products described in this book Besides the Boeing 737 planes the examples of bad products include automobiles electrical energy networks pipelines bridges and other large structures banks drinkable water and financial services While the immediate or proximate causes of the disasters have been bad design or bad production the root or underlying causes have been bad corporate management and business cultures caused by corporate leaders The final five chapters provide short essays on product design production quality control management and culture and what the leaders of our private companies and government agencies might do to reduce the pitfalls that have led to so many defective products and their dire consequences *Ecopiety* Sarah McFarland Taylor,2019-11-12 Tackles a human problem we all share the fate of the earth and our role in its future Confident that your personal good deeds of environmental virtue will

save the earth The stories we encounter about the environment in popular culture too often promote an imagined moral economy assuring us that tiny acts of voluntary personal piety such as recycling a coffee cup or purchasing green consumer items can offset our destructive habits No need to make any fundamental structural changes The trick is simply for the consumer to buy the right things and shop our way to a greener future It s time for a reality check Ecopiety offers an absorbing examination of the intersections of environmental sensibilities contemporary expressions of piety and devotion and American popular culture Ranging from portrayals of environmental sin and virtue such as the eco pious depiction of Christian Grey in Fifty Shades of Grey to the green capitalism found in the world of mobile device carbon sin tracking software applications to the socially conscious vegetarian vampires in True Blood the volume illuminates the work pop culture performs as both a mirror and an engine for the greening of American spiritual and ethical commitments Taylor makes the case that it is not through a framework of grim duty or obligation but through one of play and delight that we may move environmental ideals into substantive action
