Ancient Knowing explores how people in late antiquity went about knowing their world and how this knowing shaped late
ancient lives Each essay is dedicated to a single concept Animal Demon Countryside Christianization God studying the ways
in which individuals and societies in this period created and interacted with visible and invisible realities Rather than
narrating late ancient history based on facts defensible in modern historical terms these essays attempt to create histories
based on what are now considered late ancient fictions the now discarded paradigms of late ancient thought Provided by
