Simple Essay On Tiger For Kids:

Adventures of a Tiger Boy Charles Buck Cho, 2018-01-10 In a rural hamlet in southwestern Korea in the 1950s a boy born in the year of the Tiger works in the fields alongside his father and plays with his own handmade toys Having just finished elementary school with no prospect of further schooling because of the poverty of his family Charlie hungers for food and for knowledge True to his tiger birth sign he dares to leave his home penniless in search of a better life for himself and for his family His wanderings eventually lead him to America where he manages to earn his way through college while supporting his starving family back in his hometown and later bringing them to America His miraculous epic journey is truly inspirational

The Child in British Cinema Matthew Smith, 2022-07-22 This book argues that over the twentieth and twenty first centuries the cinema in Britain became the site on which childhood was projected examined and understood Through an analysis of these projections via case studies that encompass early cinema pre and post war film and contemporary cinema this book interprets the child in British cinema as a device through which to reflect upon issues of national culture race empire class and gender Beginning with a discussion of early cinematic depictions of the child in Britain this book examines cultural expressions of nationhood produced via non commercial cinemas for children It considers the way cinema encroaches on the moral edification of the child and the ostensible vibrancy and vitality of the British boy in post war cinema The author explores the representational and instrumental differences between depictions of boys and girls before extending this discussion to investigate the treatment of migrant refugee and immigrant children in British cinema It ends by recapitulating these arguments through a discussion of internationally successful British blockbuster cinema The child in this study is a mobile figure deployed across generic boundaries throughout the history of British cinema and embodying a range of discourses regarding the health and wellbeing of the nation
