EBK: Services Marketing: Integrating Customer Service Across the Firm 4e Alan Wilson, Valarie Zeithaml, Mary Jo Bitner, Dwayne Gremler, 2020-10-07 Successful businesses recognize that the development of strong customer relationships through quality service and services as well as implementing service strategies for competitive advantage are key to their success. In its fourth European edition, *Services Marketing: Integrating Customer Focus across the Firm* provides full coverage of the foundations of services marketing, placing the distinctive Gaps model at the center of this approach. The new edition draws on the most recent research and using up to date and topical examples, the book focuses on the development of customer relationships through service, outlining the core concepts and theories in services marketing today. New and updated material in this new edition includes New content related to human resource strategies including coverage of the role of robots and chatbots for delivering customer focused services. New coverage on listening to customers through research, big data, netnography and monitoring user generated content. Increased technology, social media and digital coverage throughout the text including the delivery of services using mobile and digital platforms as well as through the Internet of Things. Brand new examples and case studies added from global and innovative companies including Turkish Airlines, Volvo, EasyJet and McDonalds. Available with McGraw Hill's Connect, the well established online learning platform which features our award winning adaptive reading experience as well as resources to help faculty and institutions improve student outcomes and course delivery efficiency.

Customer Genius Peter Fisk, 2010-02-04 Hello I am your customer. Do you see the world like I do? It's simple really. Start with me and everything else follows. Together we can do extraordinary things. Are you ready? 10 building blocks, 30 practical tools, 50 inspirational stories. From Amazon to Banyan Tree, Quintessentially to Zipcars, explore 50 of the world's leading customer businesses. The rise of Air Asia and the collaboration of Boeing, the segmented focus of Club Med and the customer vision of Disney, the imagination of Camper and the desire for the Nintendo Wii, the realism of Dove and the tribal loyalty of Harley Davidson. The genius of a customer centric business is that it works from the outside in. It attracts, serves and retains the best customers as its route to profitability and growth. Isn't it about time you started doing business from the outside in?
