A Life of Hyojeong Character Education Textbook* ,2024-08-01 The various nations

of the world approach character or moral education in different ways Unlike other nations England does not have a moral education curriculum It is through religious education and other courses in the curriculum that a moral life and moral habits are consistently emphasized In France education of children in the family is very strict and parents have near absolute authority The internalization of virtues and regulations is emphasized through French civic education and in the 3rd year of high school a course in philosophy is compulsory In the case of Germany character education is taught as religion a separate course that is part of the regular curriculum Ethics is also recognized as an alternative course Canada a nation with a vast territory and beautiful nature implements various social education programs that promote the healthy enjoyment of hobbies and that also act as character education In the cases of Scotland and Finland a regular course titled Ethics is used for character education and this course in ethics is given greater weight than courses in grammar English or mathematics

surviveandthriveagainsttheodds gmail com **Blessed by Less** Susan V. Vogt,2013-11-15 Susan Vogt knew she had far more stuff in her closets than she needed So for Lent one year Susan took action she gave away one thing a day for forty days But what happened during that penitential period surprised her she became so addicted to identifying unnecessary things in her life that she continued the practice for a full year Then she began letting go of other baggage some physical some emotional and found that far from feeling poorer she felt freer and more fulfilled than ever before A spiritual place had opened that allowed Susan to unclutter her mind and deepen her faith Blessed by Less offers encouragement and inspiration for all who are burdened down by things in their homes and hearts but don t quite know how to begin the process of letting go Susan includes tips for beginners and challenges for those who ve been simplifying for years Rather than making readers feel guilty for all the stuff they ve accumulated Susan gently nudges them to see all that they have to gain physically emotionally and most of all spiritually by living lightly Practical from start to finish Blessed by Less shows how one woman s journey into a simpler less cluttered life can also be our journey and how taking a spiritual perspective on the matter can lead to abundant blessings we would have otherwise missed
