Olivia Manning Deirdre David,2013-01-10 Olivia Manning *A Woman at War* is the first literary biography of the twentieth century novelist Olivia Manning It tells the story of a writer whose life and work were shaped by her own fierce ambition and like many of her generation the events and aftermath of the Second World War From the time she left Portsmouth for London in the mid 1930s determined to become a famous writer through her wartime years in the Balkans and the Middle East and until her death in London in 1980 Olivia Manning was a dedicated and hard working author Married to a British Council lecturer stationed in Bucharest Olivia Manning arrived in Romania on the 3rd September 1939 the fateful day when Allied forces declared war on Germany For the duration of World War Two she kept one step ahead of invading German forces as she and her husband fled Romania for Greece and then Greece for the Middle East where they stayed until the end of the war These tumultuous wartime years are the subject of her best known and most transparently autobiographical novels *The Balkan Trilogy* and *The Levant Trilogy* Olivia Manning refused to be labelled a feminist but her novels depict with cutting insight and sardonic wit the marginal position of women striving for independent identity in arenas frequently controlled by men whether on the frontlines of war or in the publishing world of the 1950s However she did not just write about World War Two and women s lives Amongst other things Manning published fiction about making do in Britain s post war Age of Austerity about desecration of the environment through uncontrolled development and about the painful adjustment to post war British life for young men As the author of thirteen published novels two volumes of short stories several works of non fiction and a regular reviewer of contemporary fiction she was a visible presence on the British literary scene throughout her life and her work provides a detailed insight into the period Grounded in thorough research and enriched by discussion of previously unexamined manuscripts and letters Olivia Manning *A Woman at War* is a timely study of Olivia Manning s remarkable life Deirdre David integrates incisive critical analysis of Manning s writing with extensive discussion of the historical contexts of her fiction Catalog of Copyright Entries. The Reception of Charles Dickens in Europe Michael Hollington,2013-08-29 The Reception of Charles Dickens in Europe

offers a full historical survey of Dickens's reception in all the major European countries and many of the smaller ones filling a major gap in Dickens scholarship which has by and large neglected Dickens's fortunes in Europe and his impact on major European authors and movements. Essays by leading international critics and translators give full attention to cultural changes and fashions such as the decline of Dickens's fortunes at the end of the nineteenth century in the period of Naturalism and Aestheticism and the subsequent upswing in the period of Modernism in part as a consequence of the rise of film in the era of Chaplin and Eisenstein. It will also offer accounts of Dickens's reception in periods of political upheaval and revolution such as during the communist era in Eastern Europe or under fascism in Germany and Italy in particular. *The Garment Worker*, 1928. The Figure of the Child in WWI American, British, and Canadian Children's Literature Elizabeth A. Galway, 2022-03-30. Over the past century much attention has been paid to the literature written for adults in response to the First World War but there has been comparatively little consideration of how the war influenced literature for young readers at the time. Based on extensive archival research this study examines an array of wartime writing for young people and provides a new understanding of the complexities and nuances within children's literature of the period. In its discussion of nearly 150 primary sources from Britain, Canada, and the United States this volume considers some well-known texts but also brings to light forgotten children's literature of the era providing new insights into how WWI was presented to the young people whose lives were indelibly impacted by the crisis. Paying special attention to the varied ways in which child figures were depicted it reflects on what these portrayals reveal about adult conceptualizations of youth and it considers how these may have shaped young readers' own views of armed conflict, citizenship, and childhood. From the helpless victim to the heroic combatant, child figures appeared in many guises exposing a range of adult concerns about nation, empire, and children's citizenship. Exploring everything from alphabet books for beginning readers to recruitment materials for high school students this book examines works from multiple genres and provides a uniquely comprehensive study of transatlantic children's literature produced during the first global war. Maggie Christine Young, 2024-11-10. Sheltered Maggie MacRae is shocked to learn her mother has agreed to a marriage proposal for her made to a man she detests. All her dreams are ripped away from her when she realizes escape is unlikely. For her there is no viable way out of the engagement. Choices needed to be made. The man she is to become engaged to is ruthless, a dangerous power. Terrified of her future with this man, Maggie is left with few options. Feeling as if her world has shattered, Maggie flees the night her engagement is announced. She puts her life in the hands of a man she doesn't know, a man who could be as cold-blooded and treacherous as the one who is now her fiancé, a man who awakens her to a world she never knew existed. Jasper Kenworthy has spent his life with few cares and he has no intention of changing the patterns of his existence. When he finds that Maggie can offer him something he never thought would be his, it's all the excuse he needs to help her. Yet every breathless night spent tangled together in each other's arms has given Jasper a taste for Maggie. He

discovers he would do anything risk everything to keep Maggie safe and within the shelter of his embrace
