Christian Couples Coping with Childlessness Auli Vahakangas, 2009-06-01 Children are the focus of marriage in African cultures Marriage is considered full and functional only if the couple has children in many cultures preferably a boy Becoming a parent also contributes to one's full adulthood in the sense that childlessness blocks ascent towards full personal dignity as an adult person in the community As a result childlessness is often a major disaster for both of the spouses It has social economical and personal consequences quite often including divorce This book explores in depth how childlessness is perceived dealt with and coped with in two Christian communities in Machame on the slopes of Mt Kilimanjaro Childlessness is approached through narratives of the spouses concerned and the members of their communities Their stories reveal pain and courage brokenness and strength faithfulness and betrayal Christianity presents itself in an ambiguous light on one hand pressuring spouses to keep up facades supporting oppressive structures On the other hand Christian faith provides childless couples with personal

hope in the afterlife that the African traditional culture offers only to those with children This study proves that childlessness is not only a personal but also a communal problem Childlessness and the fear of having no children contribute to family structures and sexual behavior In this way they have a considerable impact on the spread of HIV AIDS in Africa However this study reveals that the attitudes and practices towards marriage and children need not be petrified but rather that traditions can and do change

Maness,2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ's executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars
