The Reason For The Season:

Jesus Is Not the Reason for the Season Cheryl Sanchez, 2009-11-10 Drawing from a variety of sources the author presents an honest view of the pagan roots of Christmas that the Church has adopted as a sacred holiday The author goes into detail to show that our Christmas celebration today is nothing more than the ancient pagan festival of Winter Solstice Jesus has commanded the Church in Revelation 19 4 Come out of her My people that ye be not partakers of her sins and that ye receive not of her plagues The Church has mixed the holy with the profane and it is now time to arise prepare to meet her Heavenly Bridegroom The author makes the plea to the Church to come out of the paganism that has infiltrated our worship unto Yahweh *Reasons for the Seasons* W. Paul Jones, 2016-10-31 Do you ever find yourself drowning in secularization and commercialization being pulled under as Halloween Thanksgiving and Christmas intermingle and fly by in a frantic blur Have you ever wondered if there is any way to reclaim the true meaning of such seasons as Advent and Lent and be helped to live more intentionally and meaningfully the other Christian celebrations *Reasons for the Seasons* makes that possible in a delightfully engaging manner With humor and rich illustrations this widely read spiritual author draws upon life experiences from childhood in Appalachia to his teaching at Princeton University and into his spiritual pilgrimage intent on uniting his Protestant mind with a Catholic heart Focus is given to the church's central seasons of Advent Christmas Epiphany and Lent Easter Pentecost Lesser known Christian celebrations are engaged such as Candlemas Trinity Sunday and the Feast of the Transfiguration Additionally illumination is provided for exploring such secular holidays as New Year's Mother's Day Memorial Day Independence Day Labor Day and Halloween This book will be informative and engaging not only for personal use but also in enabling families to deepen their celebrative time together Groups will also find it helpful for study as will churches in giving depth to their liturgical planning **Reason for the Seasons** James V. Schall, 2018-11-15 We can't be joyful without knowing why we should be joyful That's why celebrated Catholic author James V Schall S J the thinking man's priest presents these short but powerful chapters on the most important and joyful feasts of the Church's liturgical year With Fr Schall as your guide you'll come to understand more deeply the point of each celebration You'll learn truths about the feasts that will awaken you to real joy as you consider Christmas Easter Pentecost All Saints Day and All Souls Day as well as the End Times that we encounter in the last Sundays of the liturgical year Rather than being encyclopedic discussions of each of the feasts these penetrating reflections generally point to something astonishingly new that you missed before something of the meaning and depth of each feast that is almost always passed over unnoticed except by those who think long and deeply about them In any one of these discussions you'll find never ending causes of insight into what we are and who God is In a word this powerful and delightful book affords you an enormous opportunity to consider anew the great truths of our Faith handed down to us by our beloved Mother Church and that each year are celebrated in Her Feasts God Is Not Fair, and Other Reasons for Gratitude Daniel P. Horan, 2020-01-08 Author Franciscan friar and popular

retreat leader Dan Horan puts Christian dilemmas into a new light in this new book of thoughtful reflections As Paul made clear to the Corinthians two thousand years ago being a Christian can mean appearing out of step at times This is because a Christian s priorities aren t measured by the culture but according to the reign of God that Jesus preached and modeled In this collection of essays Horan demonstrates that the Christian life is most often focused on the counterintuitive and gratuitous foolishness of God s love revealed in the healing of the broken and brokenhearted forgiving the unforgiveable and loving the unlovable Like Jesus s early followers the ethical implications of Jesus s words and deeds for those of us who would follow him are not always what s expected of us But the risk of appearing foolish never stopped God s Fool St Francis of Assisi from embracing the Gospel as best he could protesting the injustices of certain social systems and letting nothing get in the way of his relationship with others God Is Not Fair and Other Reasons for Gratitude addresses what it means to follow Christ in the modern world opens up the Gospels to explore what Jesus has to say to our situations and predicaments and delves into what it means to faithfully live by vows counterculturally today *Reflections of a Peacemaker* Mattie J.T. Stepanek,2010-04-22 Mattie J T Stepanek lived and died a child but he had the spirit of a giant Affected by a rare and fatal neuromuscular disease Mattie lived almost fourteen years but in that time became a poet best selling author peace activist and a prominent voice for the Muscular Dystrophy Association Before his death in June 2004 his five volumes of Heartsongs poetry sold more than a million copies *Reflections of a Peacemaker* A Portrait Through Heartsongs is the final collection of Heartsongs that Mattie was working on when he died It includes the last poem Mattie penned along with a special collection of unpublished poetry photographs and artwork spanning the decade from when he began writing Heartsongs at age three Culled from the thousands of poems essays and journal entries Mattie left behind the entries in *Reflections of a Peacemaker* create a portrait of Mattie in his own words In these poems he explores disability despair and death but also the gifts he finds in nature prayer peace and his belief in something bigger and better than the here and now The poems are grouped by theme such as playful stormy sacred and final Heartsongs with each section introduced by a personal tribute from the likes of Maya Angelou Oprah Winfrey Larry King and former President Jimmy Carter In the words of Mattie s mother Jeni Stepanek who has published *Reflections of a Peacemaker* at her son s request In reading these poems we enter Mattie s world and gain insight through a child who somehow balanced pain and fear with optimism and faith **Spoken From the Heart** Fitzhugh G. his engaging with formal traditions that would have enabled contemporaneous readers to conceive of *The Seasons* as an assimilating and learned work to be read through both the works of the Classics and moderns Contributions revisit models explaining the structural complexity of *The Seasons* proposing others in their stead and consider Thomson as the author of a long poem in relation to other poets both English and in a transnational study Swedish The poem is furthermore contextualized in terms of sexuality and animal studies
