**The reluctant fundamentalist** Houghton Mifflin Harcourt Publishing Company, **The Reluctant Fundamentalist** Mohsin Hamid, 2009-06-05 From the author of the award winning *Moth Smoke* comes a perspective on love prejudice and the war on terror that has never been seen in North American literature At a caf table in Lahore a bearded Pakistani man converses with a suspicious and possibly armed American stranger As dusk deepens to night he begins the tale that has brought them to this fateful meeting Changez is living an immigrant's dream of America At the top of his class at Princeton he is snapped up by Underwood Samson an elite firm that specializes in the valuation of companies ripe for acquisition He thrives on the energy of New York and the intensity of his work and his infatuation with regal Erica promises entrance into Manhattan society at the same exalted level once occupied by his own family back in Lahore For a time it seems as though nothing will stand in the way of Changez's meteoric rise to personal and professional success But in the wake of September 11 he finds his position in his adopted city suddenly overturned and his budding relationship with Erica eclipsed by the reawakened ghosts of her past And Changez's own identity is in seismic shift as well unearthing allegiances more fundamental than money power and perhaps even love Elegant and compelling Mohsin Hamid's second novel is a devastating exploration of our divided and yet ultimately indivisible world Excuse me sir but may I be of assistance Ah I see I have alarmed you Do not be frightened by my beard I am a lover of America I noticed that you were looking for something more than looking in fact you seemed to be on a mission and since I am both a native of this city and a speaker of your language I thought I might offer you my services as a bridge from *The Reluctant Fundamentalist* Neap Tony Thompson, 2010

**Quicklet on Mohsin Hamid's The Reluctant Fundamentalist** Elizabeth Shestakova, 2012-07-30 ABOUT THE BOOK I wonder now sir whether I believed at all in the firmness of the foundations of the new life I was attempting to construct for myself in New York Americans remember where they were on September 11 2001 a day that has become a permanent fixture in the calendar As retaliation for the attack the US launched a war in Afghanistan called Operation Enduring Freedom with the goal of dismantling the Taliban Currently the Afghanistan war has become America s longest war even longer than the war in Vietnam Given the duration of the war and how it began it is surprising to note that many people in Afghanistan don t know why the war started Considering that 42% of the population is under 14 and that 72% is illiterate it s not surprising that this event doesn t register In addition the scarcity of electricity also explains ignorance of the event American foreigners call September 11th As a result most people from Afghanistan don t understand why the U S invaded their country causing more than 12 000 civilian deaths since the war started The disparity of the two worldviews continues to contribute to the tensions between the two countries Similarly the average American knows very little about the Afghani people and the politics of this area In an Angus Reid Public Opinion Poll half of American respondents said they don t understand what the war in Afghanistan is about One of the reasons for this might be because the U S media doesn t focus on this war as much as on the Kardashians This tension and lack of understanding creates a perfect opening for The Reluctant Fundamentalist by Mohsin Hamad to educate Americans about the other side The Reluctant Fundamentalist is about a Pakistani living in New York who reevaluates his successful American life after the September 11 attacks The book s main advantage is that it is so topical Given the heavy involvement of the U S in the Middle East as well as neighbouring Afghanistan and Pakistan it seems no region is more important to American welfare EXCERPT FROM THE BOOK Students like me were given visas and scholarships complete financial aid mind you and invited into the ranks of the meritocracy In return we were expected to

contribute our talents to your society the society we were joining And for the most part we were happy to do so I certainly was at least at first pg 4 It is worth describing the author s background which can be found on his website because it bears many similarities to the main character of the novel Changez From the ages of 9 to 18 the author lived in Lahore Pakistan Hamid studied at Princeton University and graduated summa cum laude He then went Harvard Law School Upon graduation he got a job at the elite McKinsey and Company and used his free time to complete his first novel This novel Moth Smoke took seven years to complete but became a bestseller in India and Pakistan The Reluctant Fundamentalist is his second book and also took seven years to complete On BBC Radio Hamid explains that the reason it took him so long to write both books is that he is figuring them out as he writes them Quicklet on Mohsin Hamid s The Reluctant Fundamentalist The Reluctant Fundamentalist is the story of Changez who comes from Pakistan to study at Princeton University At Princeton he excels and is rewarded with a job at the prestigious valuation firm Ultrawood Samson He uses his sign on bonus to pay for a trip to Greece with his classmates In Greece he falls in love with an all American girl named Erica He is attracted to her beauty and she is attracted to his old fashioned manners As he gets to know her Changez finds out that her ex boyfriend Chris died of lung cancer a year earlier **MOHSIN HAMID'S THE RELUCTANT FUNDAMENTALIST** KEREN.
