The Prestige Sf Masterworks English Edition:

The Magic of Organization Hugo Letiche, Stephen A. Linstead, Jean-Luc Moriceau, 2020-09-25 Exploring magic as a creative necessity in contemporary business this book clarifies the differences between magic as an organizational resource and magic as fakery pretence and manipulation Using this lens it highlights insights into the relationship between anthropology and business and organizational studies

The Prestige Christopher Priest, 2011-07-14 Two 19th century stage illusionists the aristocratic Rupert Angier and the working class Alfred Borden engage in a bitter and deadly feud the effects are still being felt by their respective families a hundred years later Working in the gaslight and velvet world of Victorian music halls they prowl edgily in the background of each other s shadowy life driven to the extremes by a deadly combination of obsessive secrecy and insatiable curiosity At the heart of the row is an amazing illusion they both perform during their stage acts The secret of the magic is simple and the reader is in on it almost from the start but to the antagonists the real mystery lies deeper Both have something more to hide than the mere workings of a trick Really amazing I love the epistolary nature of the novel and how the story stretches through time but my favourite bits were all between the two warring illusionists I can t believe how far the two of them went to prolong their feud of pranks It was great seeing two professionals unwilling to harm their craft still work around all the little niceties to get at one another Goodreads reviewer Duelling illusionists ongoing battle in the late Victorian era has consequences for future generations This is a masterpiece of epistolary style writing The reader is set up mirroring the art of the illusionist The Prestige explores issues relating to social class and gender artistry vs science one s perspective shaping the truth and the dangers of limitless ambition The illusionists duel and their quest to be true masters provides for a couple of intriguing Faustian bargains in this truly marvelous novel Yet we as readers are also being deceived until it all finally unravels One of the best novels in a structural sense that I ve read Well worth the time Goodreads reviewer Gripping eerie hard to put down Every time I thought I had a good sense of what was going on Priest pulled the rug out of from under his plot and I m still not sure what actually happened Demands a re read Goodreads reviewer A suspenseful and gripping story Christopher Priest demonstrates his storytelling skill in this compelling tale of two turn of the century competing British stage magicians and their feud that trickles down through their descendants Goodreads reviewer The setting is in present day with descendants of two famous magicians trying to figure out what happened to their great grandfathers They do this by reading the journals books of their forefathers What they find out will really amaze you This book will keep you guessing and once the guessing stops things get really weird But it s a good kind of weird Goodreads reviewer

Thor Masterworks Vol. 18 Roy Thomas, Don Glut, Don Thompson, Maggie Thompson, Mark Gruenwald, Ralph Macchio, 2019-09-18 Collects Thor 1966 279 290 and Annual 7 8 Prepare now the Celestials are coming Roy Thomas and Walter Simonson usher in the era of the Eternals and it may mean death for all mankind Thus begins the unbelievable war between gods known as the Celestial Saga It s a tale that ranks among the

greatest Thor adventures of all time and it s a must have for Marvel fans Thor confronts Odin with questions about Ragnarok his mother and the threat of the Celestials but the All Father withholds the truth A Thunder God must have answers and so Thor sets out on a quest that will bring him face to face with the Eternals and the towering Fourth Host of the Celestials Also featuring the triumvirate of terror that is Loki Pluto and Ulik Thor vs Hyperion and an Asgardian adaptation of the famous Trojan Horse

Elegant People Curt Bianchi,2021-06-15 Elegant People is the definitive history of Weather Report the premier fusion band of the 1970s and beyond Founded in late 1970 by three stars of the jazz world keyboardist Joe Zawinul saxophonist Wayne Shorter and bassist Miroslav Vitou Weather Report went on to become the most unique and enduring jazz band of its era with a style of music wholly its own Now on the fiftieth anniversary of Weather Report s first album release comes Elegant People A History of the Band Weather Report the first book to tell the band s story in detail Based on years of research and dozens of interviews with musicians engineers managers and support personnel Elegant People is written from an insider s perspective describing Weather Report s transformation from a freewheeling avant garde jazz band whose ethos was We always solo and we never solo to a grooving juggernaut that combined elements of jazz funk Latin and rhythm and blues Fueled by Zawinul s hit tune Birdland and the charismatic stage presence of legendary electric bass player Jaco Pastorius Weather Report took on the aura of rock stars By the time Zawinul and Shorter mutually agreed to part ways in 1986 Weather Report had produced sixteen albums a body of work that ranks among the most significant in jazz and continues to resonate with musicians and fans today

Billboard ,1965-10-02 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

Billboard ,1971-06-19 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

Spectrum ,1992 *Myself When I am Real* Gene Santoro,2001-11-29 Charles Mingus was one of the most innovative jazz musicians of the 20th Century and ranks with Ives and Ellington as one of America s greatest composers By temperament he was a high strung and sensitive romantic a towering figure whose tempestuous personal life found powerfully coherent expression in the ever shifting textures of his music Now acclaimed music critic Gene Santoro strips away the myths shrouding Jazz s Angry Man revealing Mingus as more complex than even his lovers and close friends knew A pioneering bassist and composer Mingus redefined jazz s terrain He penned over 300 works spanning gutbucket gospel Colombian cumbias orchestral tone poems multimedia performance and chamber jazz By the time he was 35 his growing body of music won increasing attention as it unfolded into one pioneering musical venture after another from classical meets jazz extended pieces to spoken word and dramatic performances and television and movie soundtracks Though critics and

musicians debated his musical merits and his personality by the late 1950s he was widely recognized as a major jazz star a bellwether whose combined grasp of tradition and feel for change poured his inventive creativity into new musical outlets But Mingus got headlines less for his art than for his volatile and often provocative behavior which drew fans who wanted to watch his temper suddenly flare onstage Impromptu outbursts and speeches formed an integral part of his long running jazz workshop modeled partly on dramatic models like Orson Welles Mercury Theatre Keeping up with the organized chaos of Mingus s art demanded gymnastic improvisational skills and openness from his musicians which is why some of them called it the Sweatshop He hired and fired musicians on the bandstand attacked a few musicians physically and many more verbally twice threw Lionel Hampton s drummer off the stage and routinely harangued chattering audiences once chasing a table of inattentive patrons out of the FIVE SPOT with a meat cleaver But the musical and mental challenges this volcanic man set his bands also nurtured deep loyalties Key sidemen stayed with him for years and even decades In this biography Santoro probes the sore spots in Mingus s easily wounded nature that helped make him so explosive his bullying father his interracial background his vulnerability to women and distrust of men his views of political and social issues his overwhelming need for love and acceptance Of black white and Asian descent Mingus made race a central issue in his life as well as a crucial aspect of his music becoming an outspoken and often misunderstood critic of racial injustice Santoro gives us a vivid portrait of Mingus s development from the racially mixed Watts where he mingled with artists and writers as well as mobsters union toughs and pimps to the artistic ferment of postwar Greenwich Village where he absorbed and extended the radical improvisation flowing through the work of Allen Ginsberg Jackson Pollock and Charlie Parker Indeed unlike Most jazz biographers Santoro examines Mingus s extra musical influences from Orson Welles to Langston Hughes Farwell Taylor and Timothy Leary and illuminates his achievement in the broader cultural context it demands Written in a lively novelistic style *Myself When I Am Real* draws on dozens of new interviews and previously untapped letters and archival materials to explore the intricate connections between this extraordinary man and the extraordinary music he made **African Arts** ,2002

Musical Observer ,1928 Schwann Spectrum ,1996 Musical Observer ,1928 **Audio** ,1984 **High Fidelity** ,1980 *High Fidelity/Musical America* ,1980 **High Fidelity & Audiocraft** ,1980 Contains Records in review
