The Rachel Papers:

The Rachel Papers Martin Amis, 2010-12-23 The Rachel Papers Martin Amis, 2023-11-02 WITH A NEW INTRODUCTION BY CLAIRE LOWDON Charles Highway is every mother's worst nightmare Precociously intelligent mercilessly manipulative and highly sexed Charles devotes the last of his teenage years to bedding girls and evading the half-arsed overtures of his distant parents That is until he meets the aloof wildly unattainable Rachel As Charles's twentieth birthday and the Oxford entrance exams loom his plans for seducing Rachel will draw him into a private collection of obsessional notes and observations the eponymous Rachel Papers WINNER OF THE SOMERSET MAUGHAM AWARD Scurrilous shameless and very funny The Times Literary Supplement Amis has brought off the feat of satirizing his contemporaries while making them both funny and in a bizarre way moving Peter Ackroyd **The Rachel Papers** Martin Amis, 2011-02-09 In his uproarious first novel Martin Amis author of the bestselling London Fields gave us one of the most noxiously believable and curiously touching adolescents ever to sniffle and lust his way through the pages of contemporary fiction On the brink of twenty Charles Highway preps desultorily for Oxford cheerfully loathes his father and meticulously plots the seduction of a girl named Rachel a girl who sorely tests the mettle of his cynicism when he finds himself falling in love with her *The Rachel Papers* Martin Amis, 2026-02-17 Martin Amis's first novel The Rachel Papers tells the story of Charles Highway and his relationship with his girlfriend in the year before going to university *The Rachel Papers*, 1991

"The" Rachel Papers Martin Amis, 1982 Martin Amis Jonathan Noakes, Margaret Reynolds, 2012-06-30 In Vintage Living Texts teachers and students will find the essential guide to the works of Martin Amis Vintage Living Texts is unique in that it offers an in-depth interview with Martin Amis relating specifically to the texts under discussion This guide deals with Amis's themes genre and narrative technique and a close reading of the texts will provide a rich source of ideas for intelligent and inventive ways of approaching the novels **Literature and the Writer** Michael J. Meyer, 2004 Literature and the Writer was first conceived with the hope the essays would shed light on several dimensions of the authorial craft It was the hope of the editor that the selected essays would examine not only writers' choice of vocabulary but also their deliberate selection of grammatical constructions and word order and their seamless weaving together of plots and imagery Moreover the analyses would also draw attention to how the writing process impacts the development of characters and the formulation of thematic strands in fiction Thus a wide variety of authors are deliberately selected to give the text depth writers of popular fiction as well as modern classics are included and contrasts are established between traditional writers and those who prefer to follow experimental trends Modernists are set against postmodernists absurdists vs realists minority ethnicities vs majority cultures and dominant genders appear in contrast to subordinated ones Clearly the major tenet of the collection is that the writing profession provides an unending dilemma that deserves to be explored in more detail as readers try to determine how authorial voices confuse while simultaneously elucidating their audience how texts are constructed by

authors and yet deconstructed by the very words they choose to include how silence functions as inaudible yet audible discourse and how authorial self concept shapes not only itself but is also echoed in the fictional characters writers who appear in the texts

Martin Amis: Postmodernism and Beyond G. Keulks, 2006-08-25 This is the first collection of essays ever published on Martin Amis one of England's most controversial and critically acclaimed authors It assembles the ideas of twelve scholars from different countries to clarify the major trends and transitions in Amis's work The essays will become an authoritative resource for scholars and students alike

The Rachel Papers Martin Amis, 1975-05-01 In his uproarious first novel Martin Amis author of the bestselling *London Fields* gave us one of the most noxiously believable and curiously touching adolescents ever to sniffle and lust his way through the pages of contemporary fiction On the brink of twenty Charles High way preps desultorily for Oxford cheerfully loathes his father and meticulously plots the seduction of a girl named Rachel a girl who sorely tests the mettle of his cynicism when he finds himself falling in love with her

Father and Son Gavin Keulks, 2004-12-27 An innovative study of two of England's most popular controversial and influential writers *Father and Son* breaks new ground in examining the relationship between Kingsley Amis and his son Martin Amis Through intertextual readings of their essays and novels Gavin Keulks examines how the Amises work negotiated the boundaries of their personal relationship while claiming territory in the literary debate between mimesis and modernist aesthetics Theirs was a battle over the nature of reality itself a twentieth century realism war conducted by loving family members and rival antithetical writers Keulks argues that the Amises relationship functioned as a source of literary inspiration and that their work illuminates many of the structural and stylistic shifts that have characterized the British novel since 1950
