Becoming a family heirloom, the dove resurfaces at different points in history only to be buried again. Later in the 1930s a ghost of a family member appears, sparking off an investigation by psychic investigator Jake Conley, who is called in to solve the mystery. Together with his wife, he sets off on search for the legendary treasure and a trail of deaths that seems to be following it. The Serpent Wand, a sinister Masonic Templar organization, The Brotherhood Of The Wand, is planning to bring the world to its knees and create a dystopian one government world. The price: 80% of the world's population. To achieve this aim, they are planning to harness ley lines and other ancient earth energies to reawaken the Serpent, a mythical creature known to early civilizations by different names. On the winter solstice, an apocalyptic event is to take place, and the last line of defense against the evil organization is Jake Conley, a psychic investigator with powers of retrocognition, shapeshifting, and intuition. The Beast Of Exmoor, MI5 has a task for psychic investigator Jake Conley: Operation Black Panther, a mission to obtain DNA from a beast in Exmoor. Meanwhile, wealthy arms manufacturer Dr. Aubrey Drake and the unhinged Major Lorimer infiltrate a top secret military research station, dreaming of creating the ultimate soldier. Soon, Jake and his psychic powers are in their crosshairs. The odds are stacked against Jake, and he needs to tap into new areas of knowledge to defeat his enemies. But will it end in failure as it logically should, or in a karmic payback?

Memory Of A Falcon John Broughton, 2022-02-09. Entangled between the gods of the old world and an extremist group in the new, retrocognitive Jake Conley seeks a way to stop the zealots while struggling to survive. When a conversion attempt leads Jake's partner Liffi to erect a heathen temple to the old goddess Freya, the fanatics of Woden's Brethren are furious. As their retaliation sets a string of terrorist atrocities in motion, Jake and Liffi are saved by the old goddess, but their differing philosophies begin to drive them apart. Torn between ways old and new, the two must use their powers to bring down the enemy. But as their own relationship hangs in the balance, can they find a way to stop the subversive organization for good?
