Sadowski, 2012-11-21 Provides step by step instructions and manufacturer specifications for all aspects of firearms maintenance while sharing accompanying tips for a wide range of firearms categories *Trapped in the Present Tense* Colette Brooks, 2024-12-17 For readers of Rebecca Solnit and Jenny Odell this poetic and inventive blend of history memoir and visual essay reflects on how we can resist the erasure of our collective memory in this American century Our sense of our history requires us to recall the details of time of experiences that help us find our place in the world together and encourage us in the search for our individual identities When we lose sight of the past our ability to see ourselves and to understand one another is diminished In this book Colette Brooks explores how some of the more forgotten aspects of recent American experiences explain our challenging and often puzzling present Through intimate and meticulously researched retellings of individual stories of violence misfortune chaos and persistence from the first mass shooting in America from the tower at the University of Texas the televised assassinations of John F Kennedy and Lee Harvey Oswald life with nuclear bombs and the Doomsday Clock obsessive diarists and round the clock surveillance to pandemics and COVID 19 Brooks is able to reframe our country s narratives with new insight to create a prismatic account of how efforts to reclaim the past can be redemptive freeing us from the tyranny of the present moment **Small Arms of the World** Edward Clinton Ezell, Walter Harold Black Smith, Thomas M. Pegg, 1993 Guide to global small arms weaponry **Arms** Andrew Somerset, 2015-09-15 After a fifteen year hiatus from the world of guns journalist sports shooter and former soldier A J Somerset no longer fit in with other firearm enthusiasts Theirs was a culture much different than the one he remembered a culture more radical less tolerant and more immovable in its beliefs as if each gun had come with a free bonus ideological Family Pack of political tenets a ready made identity To find the origins of this surprising shift Somerset began mapping the cultural history of guns and gun ownership in North America *Arms The Culture and Credo of Gun* is the brilliant result How were firearms transformed from tools used by pioneers into symbols of modern manhood Why did the NRA s focus shift from encouraging responsible gun use to lobbying against gun safety laws What is the relationship between gun ownership and racism in America How have the film television and video game industries molded our perception of gun violence When did the fear of gun seizures arise and how has it been used to benefit arms manufacturers lobbyists and the far right Few ideas divide communities as much as those involving firearms and fewer authors are able to tackle the subject with the same authority humor and intelligence Written from the unique perspective of a gun lover who s disgusted with what gun culture has become *Arms* is destined to be one of the most talked about books of the year **The Mistress** Alan Refkin, 2021-05-18
