C. Ross, 2002 More accurately perhaps a historical bibliography Baker English and libraries Northern Illinois U and Ross Massey U New Zealand provide extensive detail of the earlier British and American editions of the literary work and other writings by Eliot 1819 80 from their first publication to the time of her death They also include later printings from plates of editions that had first appeared during her life time especially those on which she might have had some influence The reference would interest book collectors and historians of books more than scholars of literature Annotation copyrighted by Book News Inc Portland OR      Tang Shi San Bai Shou (Three Hundred Tang Poems) in the English-Speaking World Hu Xiaoying, 2025-03-18 This book examines six English translations of Tang Shi San Bai Shou Three Hundred Tang Poems the renowned anthology of Tang poetry and explores the challenges and strategies involved in conveying the essence of classical Chinese poetry to an English speaking audience As a classic anthology Tang Shi San Bai Shou captures the linguistic features unique expressions and traditional culture of ancient Chinese verse Since its publication in the Qing dynasty it has circulated widely in China and extended its influence to the English speaking world with a rich history of translation and dissemination This book unravels the complexities of translating classical Chinese poetry and highlights the different approaches taken by translators of different periods and backgrounds by comparing six complete translations The book discusses the linguistic cultural and artistic characteristics of Tang poetry and readers can see how these challenges and the gaps between ancient Chinese poetry and modern English audiences are bridged by the ongoing efforts of translators Scholars and students of classical Chinese literature and translation studies as well as Chinese English translators and Chinese poetry enthusiasts will find this book a useful reference Readers interested in Chinese culture will be led into the poetic world of ancient China

New York School Journal , 1898      *Sotheran's Price Current of Literature* Henry Sotheran Ltd, 1894      **The Spectator** , 1907 A weekly review of politics literature theology and art      **School Documents [of The] Boston Public Schools** , 1891      Spinoza In English, A Bibliography Wayne Boucher, 1999-06-15 Spinoza in English i is the first bibliography to document the entire 300 year record of books monographs dissertations and articles in English on Benedict Spinoza as well as all translations of his works into English Arranged alphabetically by author or editor and internally cross referenced in the case of anthologies and replies this bibliography cites its own sources where appropriate and in many cases provides details on how to obtain out of print titles and unpublished dissertations Additionally it restores or corrects a good deal of earlier bibliographic detail and beginning with titles from the mid 1800s presents the citations in a uniform style This second edition adds hundreds of citations including dozens of titles hitherto overlooked thus bringing the total to nearly 2700 on the main level with hundreds of secondary references to later editions and reprints It also provides an index and occasionally an

abstract when the author's title inadequately describes the contents. As the only source of its kind, this bibliography is an indispensable reference tool for research libraries and individual scholars concerned with the life and works of Spinoza. Wayne Boucher's introduction is augmented by a preface by Professor Manfred Walther, the most complete bibliography of works in English on Spinoza, enlarged, corrected, and improved from the first edition, with numbered entries, uniquely comprehensive, current, and authoritative, numbered entries, and subject title index for easy reference.

**Spinoza in English** Wayne I. Boucher, 1991. *Spinoza in English* is the first bibliography to bring together the entire 325-year record of books, monographs, dissertations, and articles in English on Benedict de Spinoza (1632–1677), including translations of his works into English. Well over 2100 citations are presented, bringing this record through early 1991. Arranged alphabetically by author or editor and internally cross-referenced for ease of use, this bibliography also cites its own sources where appropriate and in many cases provides guidance on how to obtain unpublished or out-of-print titles. Additionally, it restores or corrects a good deal of earlier bibliographic detail, identifies dozens of publications hitherto overlooked, and, beginning with titles from the mid-1800s, presents the citations in a uniform style.
