 1923 is a novel by Sherwood Anderson Inspired by his own decision to abandon his family and career in order to establish

 washing machines A t odd moments when he was on a train going some place or perhaps on Sunday afternoons in the  
 summer when he went alone to the deserted office of the factory and sat for several hours looking out through a window and  
 along a railroad track he gave way to dreams On an otherwise average day in his office at an Ohio washing machine factory  
 John Webster finds himself dreaming He contemplates an affair with his young secretary hears a number of voices in his head  
 and watches an angelic woman drift down the river on a raft beneath the afternoon sun When he returns home after work he  
 struggles to look his wife and daughter in the face feeling deep in his heart he will have to leave them soon Despite spending  
 his whole life in service of the mundane building his business supporting his family securing his finances Webster knows he
