

The DHET Bursary Scheme in 2018

- Serious deficiencies in the systems, business processes and capacity of NSFAS (and sometimes at institutions) resulted in difficulties in finalising funding decisions, and this in turn resulted in delays in disbursements.
- The Minister placed NSFAS under Administration in August 2018 due to the serious challenges at NSFAS.
- Since the Administrator has been in place there has been a significant turnaround, and immediate close out problems are being resolved. Applications for 2019 are underway with the closing date being 30 November 2018. This date is the final date for university applications.
- The NSFAS in consultation with the DHET, is finalising a plan for the 2019 student funding cycle that will ensure the delays and data challenges of 2017 and 2018 are not repeated in 2019.
