Empowering Novice Academics for Student Success Dr Johann Hugo, 2021-04-26 This book is essential for academics that enter the field of higher education and training as it focuses on preparing teachers and trainers to respond appropriately to student success challenges Student success is a burning issue both globally and locally While student achievement is determined by a combination of factors teachers and their teaching practices do matter Higher education teachers are expected to fulfil different roles at different times such as planning for curriculum implementation mentorship and coaching facilitating learning resource development and student assessment Against this background the primary purpose of *Empowering novice academics for student success* Wearing different hats is building the capacity of novice teachers and trainers to play an influential role in increasing student success throughput

Going to University. The Influence of Higher Education on the Lives of Young South Africans Jennifer Case, Delia Marshall, 2018-02-09 Around the world more young people than ever before are attending university Student numbers in South Africa have doubled since democracy and for many families higher education is a route to a better future for their children But alongside the overwhelming demand for higher education questions about its purposes have intensified Deliberations about the curriculum culture and costing of public higher education abound from student activists academics parents civil society and policy makers We know from macro research that South African graduates generally have good employment prospects But little is known at a detailed level about how young people actually make use of their university experiences to craft their life courses And even less is known about what happens to those who drop out This accessible book brings together the rich life stories of 73 young people six years after they began their university studies It traces how going to university influences not only their employment options but also nurtures the agency needed to chart their own way and to engage critically with the world around them The book offers deep insights into the ways in which public higher education is both a private and public good and it provides significant conclusions pertinent to anyone who works in and cares about universities

Youth In South Africa Ariane De Lannoy, Malose Langa, 2021-05-05 South Africa is characterised by a youthful population and the challenges and possibilities that characterise the young generation are both warning signs and beacons of hope for a nation founded on social justice Youth in South Africa Agency in visibility and national development takes stock of the nation's development as it affects young people Authors offer both personal and professional insights into the ways in which the youth navigate their own pathways to adulthood These include formal and informal engagements with politics as well as protest unemployment entrepreneurship education religion experiences with sexuality and violence and a multitude of other life experiences Contributors paint a picture of the initiative agency and resilience of the youth as well as the challenges before them Authors also identify the state of waithood faced by those unable to make the transition out of youth into full adulthood as a result of their socio economic circumstances and political context By engaging these experiences and insights and primarily informed

by the inputs of young people the authors highlight the limitations of existing youth policies and frameworks The case is made for policy instruments to be informed by the lived experiences of the youth as they navigate a complex macrosocial environment and by the messages the youth communicate about the limitations of current approaches
