Critical Thinking: An Introduction to the Basic Skills - Canadian Seventh Edition William Hughes, Jonathan Lavery, 2015-05-25

Critical Thinking is a comprehensive and accessible introduction to the essential skills of good reasoning written by Canadian authors for Canadian readers. The book includes a thorough treatment of such central topics as deductive and inductive reasoning, logical fallacies, how to recognize and avoid ambiguity, and how to distinguish what is relevant from what is not. Later chapters discuss the application of critical thinking skills to particular topics and tasks, including scientific reasoning, moral reasoning, legal reasoning, media analysis, and essay writing. The book also provides access to a companion website containing additional questions, flashcards, and other useful critical thinking resources.

Writing for College: the Eight Step Program to Writing Academic Argument Papers Using the Template Method Rebecca Smith, 2012-04-13. Writing for College: the Eight Step Program to Writing Academic Argument Papers Using the Template Method is designed to help students who have been needlessly struggling with writing for their college classes because they fail to understand how college writing differs from other types of writings. This book has two goals: One to provide you the student with a template to follow in composing your own standard academic essay, and two to explain how and why you should follow the process of producing original researched academic essays when trying to prove competency in English writing in colleges and universities. You know how to write what you need are the rhetorical skills to help you write better. This book can help.

Essay Writing Tips Mariia Obydenna, Мария Обиденна, This book is the result of my dedicated work as a writer when I gained experience in writing essays and literary pieces on different topics. My friends and colleagues ask me: How to write an essay? Where can I find an easy-to-use guide on writing and how to complete an excellent essay fast? The idea to write this book and explain the steps in essay writing came to my mind. The book *Essay Writing Tips: How to write essays on different topics* is a writing guide for both young and experienced writers. In this book, I share secrets of working on an essay or a short writing piece of free composition with you. The book provides tips and tricks on how to write essays on different topics in a short time.
