

STAR OF THE WEEK

Dear Family,

Next week, your child will be our Star of the Week! Each day our class will get to know your Little Star as they share their special photos, stories, and talents! As Star of the Week, your child will need your help finding a few things to share with their classmates.

- 1) his/her favorite picture book
- 2) a special talent
- 3) two or three family photos
- 4) a letter written from someone special (parent, grandparent, sibling, family friend, etc.) to your child

A schedule of the week's events can be found on the back of this page. I have underlined the items your child will need your help with! Please send all needed materials back to school in the bag provided on Monday. We will keep these items in our classroom displayed around our Star of the Week board all week! The items will be sent back home on Friday. Thank you for your support as we celebrate each STAR in our class!

Have fun! I can't wait to learn more about your Little Star!

Fibkins, 2013-03-08 With budget cuts looming every year administrators and union

leaders find themselves in a never ending game of promoting how good their school is and why budget cuts will derail their ongoing success The vehicle they choose for this ongoing self promotion is what William Fibkins calls the dazzle approach which focuses only on good news Overtime administrators and staff often come to believe the positive reviews of the good news process and overlook or abandon those students who don t make good news but instead act out fail cause trouble and give the school a bad name These are the bad news kids and their lives are not newsworthy This book is about the unintended consequences that can occur when the good news process becomes heavily embedded in school life a process that creates two different worlds in a school community that often prides itself on fostering unity and belonging The school media promotions may say All is well here but this positive spin belies the divisions that breed isolation and estrangement for

both the good news and bad news kids which gives rise to class warfare in the school community In a culture in which some students are valued as more worthy than others being a more worthy student can have a serious downside that is as risky as being an unworthy student This book explores these often hidden consequences and what school and community leaders need to do to right this sinking ship a ship that seems sturdy and well built to onlookers but is abusing its crew to keep afloat Some schools operate on a system which uses high achieving students as a commodity to pass school budgets and downplays the cries of troubled students to be included in their school Good news gets headlines while bad news is shifted to the back page or left out resulting in an all is well problem free picture of the school
