

The Star Polisher

I have a great job in the universe of occupations.

What do I do? I'm a "star polisher."

I have a very important job.

If you want to know how important,
Just go out at night and look at the stars,
twinkling and sparkling.

You see, I'm a teacher.

The stars are the children in my class.

My job is to take them in whatever shape they're in-

And shine and buff them and send them out

to take their places as bright little twinkling beacons in the sky

They come in my room in all shapes and sizes.

Sometimes they're bent, tarnished, dirty,
crinkly, and broken.

Some stars are cuddly, soft, and sweet.

Some stars are prickly and thorny.

I tell them that the world needs them.

I tell them they can do anything
they set their minds to do.

I tell them they can be among the brightest,
shiniest stars in the sky.

And the world will be a better place because of them.

Each night as I look at the sky,

I'm reminded of my very important job

And awesome responsibility.

I go and get my soft buffing cloth
and my bottle of polish

In preparation for tomorrow
and my class of little stars.
