Bowman,Richard C.. Kearney,2010 The book s theme of increased capacity and responsiveness of state and local government conveys excitement about politics at the grassroots level and is pro public service *Cases and Materials on State and Local Government Law* Richard Briffault,Laurie Reynolds,Nestor Davidson,Erin Scharff,Rick Su,2021-12-23 Like its predecessors the 9th Edition focuses on the critical roles played by states and local governments and the complex structure of our state local system It challenges students to understand the values that inform the distribution of powers between states and local governments the distinctive structures and organization of states and local governments and the competing models of local government that frame the field It then takes on local government formation and boundary change home rule and state local disputes interlocal conflict and regional governance state and local finance and the local role in delivering government services This Edition contains new treatments of state constitutions and city charters state local preemption conflicts state and local taxation policing and more pervasive attention to the interplay of state and local government law with racial justice and social and economic equity **State and Local Government Special Studies** ,1961 **State and Local Government** George Cox,Raymond A. Rosenfeld,2000-12 This lively book is intended to show what state and local governments actually do and especially how their role in American public life has grown over the past twenty years Such chapters as Capitol City Players Everyday Politics in the States make this material which often appears dull in competing books interesting and important This text is briefer than many texts in this market and is also a paperback State and Local Government Special Studies United States. Bureau of the Census,1961 State and Local Government Kevin B. Smith,2010-08-10 Every year editor Kevin Smith samples from publications such as Governing State Legislatures State News and Campaigns Elections to grab your students interest with highly readable and up to date articles that hit close to home Nearly 40 new articles cover significant issues facing state and local governments with the same context and currency you have come to expect from this reader *The Oxford Handbook of State and Local Government* Donald P. Haider-Markel,2014-04-03 The Oxford Handbook of State and Local Government is an historic undertaking It contains a wide range of essays that define the important questions in the field evaluate where we are in answering them and set the direction and terms of discourse for future work The Handbook will have a substantial influence in defining the field for years

to come The chapters critically assess both the key works of state and local politics literature and the ways in which the sub field has developed It covers the main areas of study in subnational politics by exploring the central contributions to the comparative study of institutions behavior and policy in the American context Each chapter outlines an agenda for future research

State and Local Government George H. Cox,Raymond A. Rosenfeld,2001 Capturing the many changes taking place in the state and local government arenas this book not only helps you understand structure process and policy but also shows why your knowledge of state and local government is so important to your success as a professional and a private citizen The authors help you get to know the players the political parties interest groups media state political systems communities business organizations civic clubs religious congregations and how they interact to produce policy Along the way you ll discover how this policy making at the state and local levels affects your life both personally and professionally at nearly every turn Back cover
