SCORING KEY

Updated information regarding the rating of this examination may be posted on the New York State Education Department's web site during the rating period. Visit the site <http://www.emsc.nysed.gov/osa/> and select the link "Examination Scoring Information" for any recently posted information regarding this examination. This site should be checked before the rating process for this examination begins and at least one more time before the final scores for the examination are recorded.

Mechanics of Rating

- Use only red ink or red pencil in rating proficiency examination papers. Do not attempt to correct the student's work by making insertions or changes of any kind.
- Use check marks [✓] to indicate incorrect or omitted answers in Parts 2 and 3. Do not place a check mark beside a correct answer.
- Record the credit for each part and subpart in the appropriate credit box on the student's answer sheet.
- Record the total examination score (the sum of the credits the student received for each part) in the appropriate space in the box in the upper right corner of the answer sheet.
- Check carefully for mechanical errors (e.g., addition). Using a calculator might be helpful.
- Write your initials clearly in the appropriate space on the answer sheet.

Part 1

Directions for administering and rating the student's oral communication performance are contained in the New York State Education Department publication *Second Language Proficiency Examinations: Modern Languages, Teacher's Manual, Part 1: Speaking*.
