Mitchell,2019-02-28 The British National Daily Press and Popular Music c 1956 1975 constitutes a reappraisal of the reactions of the national daily press to forms of music popular with young people in Britain from the mid 1950s to the 1970s including rock n roll skiffle beat group and rock music Conventional histories of popular music in Britain frequently accuse the newspapers of generating moral panic with regard to these musical genres and of helping to shape negative attitudes to the music within the wider society This book questions such charges and considers whether alternative perspectives on press attitudes towards popular music may be discerned In doing so it also challenges the tendency to perceive evidence from newspapers straightforwardly as a mere illustration of wider social trends and considers the manner in which the post war newspaper industry as a sociocultural entity in its own right responded to developments in youth culture as it faced distinctive challenges and pressures amid changing times      West Germany Under Construction Robert G. Moeller,1997 Collects important recent essays in a critical reexamination of the Federal Republic s early history      Rock & Roll in Kennedy's America Richard Aquila,2022-11-29 The author tells an unconventional history of rock roll in the early 1960s one that argues that Buddy Holly s death in 1959 was not the day the music died that teenagers of the early 1960s were not as rebellious as we d like to believe and that the consensus politics and Cold War culture of this era were much broader based than we usually assume      **Reports of Cases at Law and in Chancery Argued and Determined in the Supreme Court of Illinois** Illinois. Supreme Court,1906      **Reports of cases at law and in chancery argued and determined in the Supreme Court of Illinois** ,1906      *Reports of Cases at Common Law and in Chancery Argued and Determined in the Supreme Court of the State of Illinois* Illinois. Supreme Court,1906      *Proceedings of the Common Council, for the City of Rochester, for ...* Rochester (N.Y.). Common Council,1901      **Lawyers' Reports Annotated** ,1913      Federal Communications Commission reports United States. Federal Communications Commission,1986      *Rock 'n' Roll High School* ,2009      Reports of Cases Determined in the Appellate Courts of Illinois Illinois. Appellate Court,Martin L. Newell,Mason Harder Newell,Walter Clyde Jones,Keene Harwood Addington,James Christopher Cahill,Basil Jones,James Max Henderson,Ray Smith,1905      **Jazz, Rock, and Rebels** Uta G. Poiger,2000 This significant contribution to German history pioneers a conceptually sophisticated approach to German German relations Poiger has much to say about the construction of both gender norms and masculine and feminine identities and she has valuable insights into the role that notions of race played in defining and reformulating those identities and prescriptive behaviors in the German context The book will become a must read for German historians Heide Fehrenbach author of Cinema in Democratizing Germany Poiger breaks new ground in this history of the postwar Germanies The book will serve as a model for all future studies of comparative German German history Robert G Moeller author of Protecting Motherhood Jazz Rock and Rebels exemplifies the exciting work currently emerging out of transnational analyses A well written and well argued study Priscilla Wald author of Constituting Americans
