Solidarity Is the Political Version of Love Rebecca Vilkomerson, Alissa Wise, 2024-09-03 What does the politics of solidarity look like in practice and how can left wing organizations grow in numbers and power while remaining accountable to the broader movements of which they are a part Against enormous odds and in the face of fierce pushback the Palestine solidarity movement has succeeded in transforming the landscape of American politics The movement has catapulted Palestine from being an untouchable topic in even liberal political circles to a central rallying cry in grassroots progressive organizing one that is championed by some of the highest profile and beloved members of Congress In the fall and winter of 2023 with the attention of the world focused on Israel's unprecedented aggression against the people of Gaza millions across the globe mobilized in solidarity with Palestinians and their struggle for liberation Jewish progressives in the US played a highly visible role in denouncing Israel's actions and US complicity in them leading mobilizations and disruptions from the US Capitol to Grand Central Station In this book two key leaders and former staff of Jewish Voice for Peace JVP Rebecca Vilkomerson and Rabbi Alissa Wise focus on the important role of anti Zionist Jewish organizing within the broader Palestine solidarity movement reflecting on their decade of leadership of JVP and drawing lessons especially relevant to those organizing from a position of solidarity Against the backdrop of rapid and often devastating political developments they explore how JVP grew larger as the organization shifted to the left and helped to alter the public narrative about Palestinian liberation while also navigating the tensions of

organization building and creating a space for Judaism liberated from Zionism Their insights help contextualize the intense suppression of activism for Palestinian freedom while illuminating the roots of today's flourishing Jewish solidarity with Palestinians worldwide In addressing their shortcomings and failures no less than their inspiring successes Vilkomerson and Wise deliver an account of JVP's organizing during the 2010s that offers crucial strategic lessons for anyone engaging in the collective work of building organizations and fighting for justice as our movements evolve over time **Keep Love** Paul Brunson, 2025-02-06 FROM THE HOST OF THE 1 WE NEED TO TALK PODCAST Paul's book is a game changer honest insightful and full of passion The perfect guide to creating love that lasts and keeps the spark alive DAVINA MCCALL Keep Love is your relationship bible combining cutting edge research case studies and self help tools Paul outlines all the key myths issues and challenges that couples will likely experience in their partnerships and arms you with the simple tools know how and emotional intelligence to manage them Through honest and open communication mutual respect problem solving ability intimacy and a shared sense of purpose Keep Love shows us how anyone can build strong foundations for long lasting love Paul is a true relationship expert KEEP LOVE brilliantly demystifies the secrets to fostering long lasting connections in this insightful and practical guide It's essential reading for everyone DR TARA SWART *How To Make Your Relationship Work* Anne Geraghty, 2016-01-28 Falling in love is not something we actively do it happens Once in love however there's a lot we can do to keep that love healthy fulfilling and very much alive In fact one of the most powerful ways to improve the quality of our love lives and relationships is to take care of the love itself This book describes how to find out what your relationship needs and how to provide for those needs in a series of practical exercises It also explains why there are fights and difficulties in every relationship and why frequently the more deeply we have fallen in love the more intense the conflict This book also tells you how you can use the struggles of a relationship to discover more about your own love and what it needs Learning how to love and be loved is one of the greatest adventures we humans can undertake How to Make Your Relationship Work is an original and valuable guide on this journey
