Committee on Interior and Insular Affairs,1955 The Lord of Glory Benjamin Breckinridge Warfield,1907 **God and War** Raymond Haberski, Jr.,2012-07-23 Americans have long considered their country to be good a nation under God with a profound role to play in the world Yet nothing tests that proposition like war Raymond Haberski argues that since 1945 the common moral assumptions expressed in an American civil religion have become increasingly defined by the nation s experience with war God and War traces how three great postwar trials the Cold War the Vietnam War and the War on Terror have revealed the promise and perils of an American civil religion Throughout the Cold War Americans combined faith in God and faith in the nation to struggle against not only communism but their own internal demons The Vietnam War tested whether America remained a nation under God inspiring somewhat ironically an awakening among a group of religious intellectual and political leaders to save the nation s soul With the tenth anniversary of 9 11 behind us and the subsequent wars in Iraq and Afghanistan winding down Americans might now explore whether civil religion can exist apart from the power of war to affirm the value of the nation to its people and the world *The Power of Zahn* John Hansen,Z. R. Hathaway,2015-04-21 The Power of Zahn is the coming of age story of a thirty something megahero named Hans Halvorsen On December 6 1994 as his band The Spitting Cobras is one gig away from a record deal fate disguised as tragedy freezes Hans to the core and sinks its teeth deep into his left forearm leaving the mark of the Great Beaver and sending Halvorsen into a deep coma he ll come to refer to as the Darkness Hans in a sense dies on that day and Zahn is born The sounds of old country music and a quiet voice find him in the black The voice belongs to Bart Featherstone and speaks of Hans s destiny as the prophesized hero of Cherokee folklore He invites Hans to join his honkytonk band the Flat Tail Pickers in Oklahoma A decade passes and the voice and music his only companions depart in a sad farewell The ex farmhand from the north country of Luck Wisconsin soon wakes to find a 32 year old balding mug staring back at him in the mirror An aching void has replaced the prime of his life in one long painful blink Two large teeth jut from his gums the first sign of his emerging mega abilities derived from the flat tail beaver The world Hans knew is gone Seattle grunge music his life s work is now locked away forever in the annals of rock history In a state of confusion Hans jumps into his 1970 Ford pickup lovingly named Old Blue and journeys 2 000 miles to rural Oklahoma and the banks of the scenic Illinois River for answers At Cherokee Bob s Floats outside of Tahlequah Hans finds a new band a new love and true gang of friends He encounters his evil nemesis Capon as well as the Power of Zahn that dwells within himself At the heart of the story is the battle between Zahn and Capon The Great Beaver Spirit versus the morally bankrupt cockfighting billionaire Hans s powers are a matter of spiritual fate and frankly he would rather not carry the burden Capon s supernatural evil came at the highest price a rotten deal that sent his soul to the Devil in exchange for a handful of ridiculous powers Capon a coked out Mafioso type fronting as the founder and C E O of Capon s Chicken Chunks masterminds a plot to break the hearts and wallets of the Cherokee Nation There s only one thing the beaver man can do to

save them but it takes the entire odyssey for Zahn to realize his destiny The story is true to the superhero genre but also dives into uncharted waters Gone is the bustling Metropolis in its place are the small town of Tahlequah and the river which dances along its outskirts The book is an ode to the country people of Oklahoma and the state's natural geography Hans's supporting gang and rockabilly band mates Bart Featherstone and Dusty Unit 3 Spetz own the story as much as Zahn Unit 3 haunted by the fact that his beloved son from his third common law marriage is jailed for running Capon's meth lab is willing to do anything to gain his freedom Bart Featherstone's love of music coupled with heartbreak provides a sweet and tender side to the story while his driving need for revenge shades the story in darkness The love triangle between Loraine Getter and her suitors blue collar Hans and the silver spoon son of a politician Thomas Tucky adds romance The Power of Zahn is social satire drenched in irreverent and absurd humor *Season of Thrones* Ethan Black, 2014-09-30 This is one of the most compelling fantasy novels you will ever read With magic from wizards and battling the enemy through desolate lands you will feel the thrill as they move through time and various scenery to accomplish what must be done *Polder Politics* F. Preventing Unjust War Roger Bergman, 2020-12-15 Catholic pacifists blame the just war tradition of their Church That tradition they say can be invoked to justify any war and so it must be jettisoned This book argues that the problem is not the just war tradition but the unjust war tradition Ambitious rulers start wars that cannot be justified and yet warriors continue to fight them The problem is the belief that warriors do not hold any responsibility for judging the justice of the wars they are ordered to fight However unjust a command renders any war just for the obedient warrior This book argues that selective conscientious objection the right and duty to refuse to fight unjust wars is the solution Strengthening the just war tradition depends on a heightened role for the personal conscience of the warrior That in turn depends on a heightened role for the Church in forming and supporting consciences and judging the justice of particular wars As Saint Augustine wrote The wise man will wage just wars For unless the wars were just he would not have to wage them and in such circumstances he would not be involved in war at all *Disposal of Federal Property Coulee Dam, Washington* United States.
