The Practical Jokers Handbook The Sequel:

The Practical Joker's Handbook The Sequel, 2010 Tim Nyberg author of the hilarious definitive guide to practical jokes is back with *The Practical Joker's Handbook The Sequel* This compendium of all new practical jokes is a wild diabolical follow up to the original Like *The Practical Joker's Handbook* this sequel is built upon contributions submitted to his Web site from Nyberg's fans Of course the entertaining Nyberg has sifted through his warped fans' merciless suggestions to weed out the dangerous the mean spirited and the potentially litigious As Nyberg says in the book's introduction it's only a good practical joke if both parties eventually find humor in the prank *The Practical Joker's Handbook The Sequel* is a sly collection of blueprints for jokes and pranks to play at home at work at school at the office anywhere *The Practical Joker's Handbook 2* John Dinneen, 1998 *De Gruyter Handbook of Humor Studies* Thomas E. Ford, Władysław Chłopicki, Giseline Kuipers, 2024-07-22 The *De Gruyter Handbook of Humor Studies* consolidates the cumulative contributions in theory and research on humor from 57 international scholars representing 21 different countries in the widest possible diversity of disciplines It organizes research in a unique conceptual framework addressing two broad themes the Essence of Humor and the Functions of Humor Furthermore scholars of humor have recognized that humor is not only a universal human experience it is also inherently social shared among people and woven into the fabric of nearly every type of interpersonal relationship Scholars across all academic disciplines have addressed questions about the essence and functions of humor at different levels of analysis relating to how narrowly or broadly they conceptualize the social context of humor Accordingly the editors have organized each broad thematic section into three subsections defined by level of analysis The book first addresses questions about individual psychological processes then discusses text properties and finally moves to questions involving broader conceptualizations of the social context addressing humor and social relations as well as humor and culture By providing a comprehensive review of foundational work as well as new research and theoretical advancements across academic disciplines the *De Gruyter Handbook of Humor Studies* will serve as the foremost authoritative research handbook for experienced humor scholars as well as an essential starting point for newcomers to the field such as graduate students seeking to conduct their own research on humor Further by highlighting the interdisciplinary interest of new and emerging areas of research the book identifies and defines directions for future research for scholars from every discipline that contributes to our understanding of humor *Historical Handbook Series* United States.
