The Primer Of Humor Research

David Feltmate

The Primer Of Humor Research:

The Primer of Humor Research Victor Raskin, 2008-11-06 The book is intended to provide a definitive view of the field of humor research for both beginning and established scholars in a variety of fields who are developing an interest in humor and need to familiarize themselves with the available body of knowledge Each chapter of the book is devoted to an important aspect of humor research or to a disciplinary approach to the field and each is written by the leading expert or emerging scholar in that area There are two primary motivations for the book The positive one is to collect and summarize the impressive body of knowledge accumulated in humor research in and around Humor The International Journal of Humor Research The negative motivation is to prevent the embarrassment to and from the first timers often established experts in their own field who venture into humor research without any notion that there already exists a body of knowledge they need to acquire before publishing anything on the subject unless they are in the business of reinventing the wheel and have serious doubts about its being round The organization of the book reflects the main groups of scholars participating in the increasingly popular and high powered humor research movement throughout the world an 800 to 1 000 strong contingent and growing The chapters are organized along the same lines History Research Issues Main Directions Current Situation Possible Future Bibliography and use the authors definitive credentials not to promote an individual view but rather to give the reader a good comprehensive and condensed view of the area

The Primer of Humor Research Victor Raskin, 2008 The book is intended to provide a definitive view of the field of humor research for both beginning and established scholars in a variety of fields who are developing an interest in humor and need to familiarize themselves with the available body of knowledge Each chapter of the book is devoted to an important aspect of humor research or to a disciplinary approach to the field and each is written by the leading expert or emerging scholar in that area There are two primary motivations for the book The positive one is to collect and summarize the impressive body of knowledge accumulated in humor research in and around Humor The International Journal of Humor Research The negative motivation is to prevent the embarrassment to and from the first timers often established experts in their own field who venture into humor research without any notion that there already exists a body of knowledge they need to acquire before publishing anything on the subject unless they are in the business of reinventing the wheel and have serious doubts about its being round The organization of the book reflects the main groups of scholars participating in the increasingly popular and high powered humor research movement throughout the world an 800 to 1 000 strong contingent and growing The chapters are organized along the same lines History Research Issues Main Directions Current Situation Possible Future Bibliography and use the authors definitive credentials not to promote an individual view but rather to give the reader a good comprehensive and condensed view of the area

Explorations in Humor Studies Marcin Kuczok, Anna Stwora, Mariola Świerkot, 2019-11-12 Working towards a multifaceted debate on humor and related phenomena this book is a comprehensive reflection of the contributors shared

interest in various dimensions of humor and its manifold applications It is composed of a selection of writings that provide important insights into language used for humorous purposes Theoretical discussions are complemented by an assortment of case studies in linguistics culture literature and translation as well as in visual and media studies **The Palgrave**

Handbook of Humour Research Elisabeth Vanderheiden, Claude-Hélène Mayer, 2024-05-31 This handbook is the updated and expanded second edition of a highly cited and impactful collection which provides new perspectives on humour from transdisciplinary perspectives The collection's focus is on humour as a resource from different socio cultural and psychological viewpoints bringing together authors from different cultures social contexts and countries The handbook enables researchers and practitioners to unlock research findings which give new directions for contemporary and future humour research By employing transdisciplinary and transcultural perspectives the volume further discusses humour in regard to different cultural and political contexts humour over the lifespan in therapy and counselling in pedagogical settings in medicine and the workspace The contributions also highlight the connections between humour and the COVID 19 pandemic and promise new inspiring insights This second edition includes a new introduction from the editors updates to the majority of the chapters and five new chapters which take a humour research approach to contemporary issues such as the Russian Ukrainian crisis the consequences of the pandemic and tackles developments related to artificial intelligence and gamification With an expanded scope this handbook will continue to appeal to researchers practitioners and students in the fields of industrial and organisational psychology positive psychology organisational studies future studies health and occupational science and therapy who will find each chapter highly topical insightful and applicable to practice *Humor*

and the Good Life in Modern Philosophy Lydia B. Amir, 2014-02-01 An exploration of philosophical and religious ideas about humor in modern philosophy and their secular implications By exploring the works of both Anthony Ashley Cooper Third Earl of Shaftesbury and Søren Kierkegaard Lydia B Amir finds a rich tapestry of ideas about the comic the tragic humor and related concepts such as irony ridicule and wit Amir focuses chiefly on these two thinkers but she also includes Johann Georg Hamann an influence of Kierkegaard's who was himself influenced by Shaftesbury All three thinkers were devout Christians but were intensely critical of the organized Christianity of their milieux and humor played an important role in their responses The author examines the epistemological ethical and religious roles of humor in their philosophies and proposes a secular philosophy of humor in which humor helps attain the philosophic ideals of self knowledge truth rationality virtue and wisdom as well as the more ambitious goals of liberation joy and wisdom The Multimodal Rhetoric of Humour in Saudi

Media Cartoons Wejdan Alsadi, Martin Howard, 2021-02-22 Cartoons as a form of humour and entertainment are a social product which are revealing of different social and political practices that prevail in a society humourised and satirised by the cartoonist This book advances research on cartoons and humour in the Saudi context It contributes to the growing multimodal research on non interactional humour in the media that benefits from traditional theories of verbal humour The

study analyses the interaction between visual and verbal modes highlighting the multimodal manifestations of the rhetorical devices frequently employed to create humour in English language cartoons collected from the Saudi media The multimodal analysis shows that the frequent rhetorical devices such as allusions parody metaphor metonymy juxtaposition and exaggeration take a form which is woven between the visual and verbal modes and which makes the production of humorous and satirical effect more unique and interesting The analysis of the cartoons across various thematic categories further offers a window into contemporary Saudi society

The Routledge Comedy Studies Reader Ian Wilkie, 2019-10-10 The Routledge Comedy Studies Reader is a selection of the most outstanding critical analysis featured in the journal Comedy Studies in the decade since its inception in 2010 The Reader illustrates the multiple perspectives that are available when analysing comedy Wilkie's selections present an array of critical approaches from interdisciplinary scholars all of whom evaluate comedy from different angles and adopt a range of writing styles to explore the phenomenon Divided into eight unique parts the Reader offers both breadth and depth with its wide range of interdisciplinary articles and international perspectives Of interest to students scholars and lovers of comedy alike The Routledge Comedy Studies Reader offers a contemporary sample of general analyses of comedy as a mode form and genre

Ha! Scott Weems, 2014-03-04 Humor like pornography is famously difficult to define We know it when we see it but is there a way to figure out what we really find funny and why In this fascinating investigation into the science of humor and laughter cognitive neuroscientist Scott Weems uncovers what's happening in our heads when we giggle guffaw or double over with laughter While we typically think of humor in terms of jokes or comic timing in *Ha* Weems proposes a provocative new model Humor arises from inner conflict in the brain he argues and is part of a larger desire to comprehend a complex world Showing that the delight that comes with getting a punchline is closely related to the joy that accompanies the insight to solve a difficult problem Weems explores why surprise is such an important element in humor why computers are terrible at recognizing what's funny and why it takes so long for a tragedy to become acceptable comedic fodder From the role of insult jokes to the benefit of laughing for our immune system *Ha* reveals why humor is so idiosyncratic and why how to books alone will never help us become funnier people Packed with the latest research illuminating anecdotes and even a few jokes *Ha* lifts the curtain on this most human of qualities From the origins of humor in our brains to its life on the standup comedy circuit this book offers a delightful tour of why humor is so important to our daily lives

Satire, Humor and the Construction of Identities Massih Zekavat, 2017-06-15 Satire Humor and the Construction of Identities conveys how satire can contribute to the construction of social subjects identities It attempts to provide a theoretical ground for a novel understanding of the relationship between satire and identity by finding their common denominator namely opposition in order to explain the mechanism through which satire can form identities After establishing the role of opposition in satire and identity construction through a detailed analysis of various theories it will be argued that satire can contribute to the construction of racial ethnic national religious and gender

identities Several examples from British Persian ancient Roman literary traditions and different epochs illustrate the theoretical discussions The prevalence of satire and the challenges that identity has encountered in our contemporary world guarantee the significance of this study and its socio political implications Cognitive Linguistics and Humor Research Geert Brône,Kurt Feyaerts,Tony Veale,2015-06-16 To what extent can Cognitive Linguistics benefit from the systematic study of a creative phenomenon like humor Although the authors in this volume approach this question from different perspectives they share the profound belief that humorous data may provide a unique insight into the complex interplay of quantitative and qualitative aspects of meaning construction Developments in Linguistic Humour Theory Marta Dynel,2013-10-15 This volume presents recent developments in the linguistics of humour It depicts new theoretical proposals for capturing different humorous forms and phenomena central to humour research thereby extending its scope The 15 contributions critically survey and develop the existing interpretative models or they postulate novel theoretical approaches to humour in order to better elucidate its workings The collection of articles offers cutting edge interdisciplinary explorations encompassing various realms of linguistics semantics pragmatics stylistics cognitive linguistics and language philosophy as well as drawing on findings from other fields primarily sociology psychology and anthropology Thanks to careful overviews of the relevant background literature the papers will be of use to not only researchers and academics but also students Albeit focused on theoretical developments rather than case studies the volume is illustrated with interesting research data such as the discourse of television programmes and series films and stand up comedy as well as jokes De Gruyter Handbook of Humor Studies Thomas E. Ford,Władysław Chłopicki,Giselinde Kuipers,2024-07-22 The De Gruyter Handbook of Humor Studies consolidates the cumulative contributions in theory and research on humor from 57 international scholars representing 21 different countries in the widest possible diversity of disciplines It organizes research in a unique conceptual framework addressing two broad themes the Essence of Humor and the Functions of Humor Furthermore scholars of humor have recognized that humor is not only a universal human experience it is also inherently social shared among people and woven into the fabric of nearly every type of interpersonal relationship Scholars across all academic disciplines have addressed questions about the essence and functions of humor at different levels of analysis relating to how narrowly or broadly they conceptualize the social context of humor Accordingly the editors have organized each broad thematic section into four subsections defined by level of analysis The book first addresses questions about individual psychological processes and text properties then moves to questions involving broader conceptualizations of the social context addressing humor and social relations and humor and culture By providing a comprehensive review of foundational work as well as new research and theoretical advancements across academic disciplines the De Gruyter Handbook of Humor Studies will serve as the foremost authoritative research handbook for experienced humor scholars as well as an essential starting point for newcomers to the field such as graduate students seeking to conduct their own research on humor Further by highlighting

the interdisciplinary interest of new and emerging areas of research the book identifies and defines directions for future research for scholars from every discipline that contributes to our understanding of humor **Religion and Humour** David Feltmate,2024-05-08 This timely and lively introduction to exploring the intersection of religion and humour evaluates existing scholarship and methodologies within the field arguing for a culturally critical approach to the study Hinged on a qualitative sociological framework this book asks questions about the construction presentation and purpose of humour in religious contexts It is broken down by theoretical approach with chapters covering a comparative religions approach a theological approach how social sciences offer us useful tools for research and a review of existing theoretical models As the first volume to introduce the field of religion and humour this engaging book is essential reading for students approaching the topic for the first time and for anyone with an interest in related fields such as religion and popular culture and humour studies The Handbook of Discourse Analysis Deborah Tannen,Heidi E. Hamilton,Deborah Schiffrin,2015-04-28 The second edition of the highly successful Handbook of Discourse Analysis has been expanded and thoroughly updated to reflect the very latest research to have developed since the original publication including new theoretical paradigms and discourse analytic models in an authoritative two volume set Twenty new chapters highlight emerging trends and the latest areas of research Contributions reflect the range depth and richness of current research in the field Chapters are written by internationally recognized leaders in their respective fields constituting a Who's Who of Discourse Analysis A vital resource for scholars and students in discourse studies as well as for researchers in related fields who seek authoritative overviews of discourse analytic issues theories and methods **Translation, Humour and Literature** Delia Chiaro,2010-09-23 Translation studies and humour studies are disciplines that have been long established but seldom looked at in conjunction This volume uses literature as the common ground and examines issues of translating humour within a range of different literary traditions It begins with an analysis of humour and translation in every day life including jokes and cross cultural humour and then moves on to looking at humour and translation in literature through the ages Despite growing interest and a history of collaborative study there has been little translation studies scholarship published in this area This collection features a comprehensive introduction by the editor which covers strategies and techniques for translating humour as well as the pragmatics involved The book will appeal to scholars and postgraduates in translation and interpreting studies and humour studies The Linguistics of Humor Salvatore Attardo,2020 This book is the first comprehensive and systematic introduction to the linguistics of humor exploring not only theoretical linguistic analyses but also topics from applied linguistics It will be a valuable resource for students from advanced undergraduate level upwards particularly those coming to linguistics from related disciplines **Bridging the Humor Barrier** John Rucynski Jr.,Caleb Prichard,2020-02-18 The language barrier is a familiar term but what exactly is the humor barrier Humor is a universal phenomenon but the cultural variance in how humor is used can prove to be a major obstacle for English language learners hoping to communicate

effectively in cross cultural contexts While a growing number of researchers have explored the importance of helping language learners better understand the humor of the target culture in *Bridging the Humor Barrier Humor Competency Training in English Language Teaching* editors John Rucynski Jr and Caleb Prichard bring together language teachers and researchers from a range of cultural and teaching contexts to tackle how to actually overcome the humor barrier This book empirically examines humor competency training and presents related research bearing implications for humor training Contributors address a wide range of genres of humor providing fresh insights into helping language learners deepen their understanding and appreciation of the humor of the English speaking world including jokes sarcasm and satire This book is an excellent resource for English language teachers looking to help their learners avoid the pitfalls and reap the benefits of humor in the target language

Jokes and the Linguistic Mind Debra Aarons, 2012-02-27 Through the lens of cognitive science *Jokes and the Linguistic Mind* investigates jokes that play on some aspect of the structure and function of language In so doing Debra Aarons shows that these linguistic jokes can evoke our tacit knowledge of the language we use Analyzing hilarious examples from movies plays and books *Jokes and the Linguistic Mind* demonstrates that tacit linguistic knowledge must become conscious for linguistic jokes to be understood The book examines jokes that exploit pragmatic semantic morphological phonological and semantic features of language as well as jokes that use more than one language and jokes that are about language itself With its use of jokes as data and its highly accessible explanations of complex linguistic concepts this book is an engaging supplementary text for introductory courses in linguistics psycholinguistics and cognitive science

Philosophy, Humor, and the Human Condition Lydia Amir, 2019-12-19 This book presents an original worldview *Homo risibilis* wherein self referential humor is proposed as the path leading from a tragic view of life to a liberating embrace of human ridicule Humor is presented as a conceptual tool for holding together contradictions and managing the unresolvable conflict of the human condition till *Homo risibilis* resolves the inherent tension without epistemological cost This original approach to the human condition allows us to effectively address life's ambiguities without losing sight of its tragic overtones and brings along far ranging personal and social benefits By defining the problem that other philosophies and many religions attempt to solve in terms we can all relate to *Homo risibilis* enables an understanding of the Other that surpasses mere tolerance Its egalitarian vision roots an ethic of compassion without requiring metaphysical or religious assumptions and liberates the individual for action on others behalf It offers a new model of rationality which effectively handles and eventually resolves the tension between oneself others and the world at large Amir's view of the human condition transcends the field of philosophy of humor An original worldview that fits the requirements of traditional philosophy *Homo risibilis* is especially apt to answer contemporary concerns It embodies the minimal consensus we need in order to live together and the active role philosophy should responsibly play in a global world Here developed for the first time in a complete way the *Homo risibilis* worldview is not only liberating in nature but also illuminates the shortcomings of

other philosophies in their attempts to secure harmony in a disharmonious world for a disharmonious human being **The Routledge Handbook of Language and Humor** Salvatore Attardo, 2017-02-17 The Routledge Handbook of Language and Humor presents the first ever comprehensive in depth treatment of all the sub fields of the linguistics of humor broadly conceived as the intersection of the study of language and humor The reader will find a thorough historical terminological and theoretical introduction to the field as well as detailed treatments of the various approaches to language and humor Deliberately comprehensive and wide ranging the handbook includes chapter long treatments on the traditional topics covered by language and humor e g teasing laughter irony psycholinguistics discourse analysis the major linguistic theories of humor translation but also cutting edge treatments of internet humor cognitive linguistics relevance theoretic and corpus assisted models of language and humor Some chapters such as the variationist sociolinguistics stylistics and politeness are the first ever syntheses of that particular subfield Clusters of related chapters such as conversation analysis discourse analysis and corpus assisted analysis allow multiple perspectives on complex trans disciplinary phenomena This handbook is an indispensable reference work for all researchers interested in the interplay of language and humor within linguistics broadly conceived but also in neighboring disciplines such as literary studies psychology sociology anthropology etc The authors are among the most distinguished scholars in their fields

The Primer Of Humor Research Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Primer Of Humor Research PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Primer Of Humor Research PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and

publishers who make these resources available. In conclusion, the availability of The Primer Of Humor Research free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Primer Of Humor Research Books

1. Where can I buy The Primer Of Humor Research books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
