Norway Elizabeth Rose, 2003-12-15 From its southern tip to the northern Land of the Midnight Sun Norway has one of the most extreme and beautiful landscapes on Earth Fjords and glaciers thousands of miles of coast and clean land and air offer unique experiences in nature to Norwegians and visitors alike Norway has a healthy economy and one of Europe's highest standards of living Its people have vivid imaginations and fairy tales of trolls and wild creatures abound Vikings bunads the Reindeer People and Norway's royalty are all visited by readers in an inspiring primary source trip through this jewel of Scandinavia *The Horse Boy* Rupert Isaacson, 2009-03-31 When his son Rowan was diagnosed with autism Rupert Isaacson was devastated afraid he might never be able to communicate with his child But when Isaacson a lifelong horseman rode their neighbor's horse with Rowan Rowan improved immeasurably He was struck with a crazy idea why not take Rowan to Mongolia the one place in the world where horses and shamanic healing intersected *The Horse Boy* is the dramatic and heartwarming story of that impossible adventure In Mongolia the family found undreamed of landscapes and people unbearable setbacks and advances beyond their wildest dreams This is a deeply moving truly one of a kind story of a family

willing to go to the ends of the earth to help their son and of a boy learning to connect with the world for the first time

Siberia Anthony Haywood, 2012-05-02 Before Russians crossed the Urals Mountains in the sixteenth century to settle their colony in North Asia they heard rumours about bountiful fur of bizarre people without eyes who ate by shrugging their shoulders and of a land where trees exploded from cold This region of frozen tundra endless forest and humming steppe between the Urals and the Pacific Ocean was a vast strange and frightening paradise It was Siberia Siberia is a cradle of civilizations the birthplace of ancient Turkic empires and home to the cultures of indigenes including peoples whose ancestors migrated to the Americas It was a promised land to which bonded peasants could flee their cruel masters yet also a white hell across which exiles shuffled in felt shoes and chains If in Stalin's era Siberia became synonymous with the gulag today it is a vast region of bustling metropolises and magnificent landscapes a place where the humdrum the beautiful and the bizarre ignite the imagination Tracing the historical contours of Siberia A J Haywood offers a detailed account of the architectural and cultural landmarks of cities such as Irkutsk Tobolsk Barnaul and Novosibirsk **Embracing the**

Anaconda Anita Carrasco, 2020-05-20 Drawing on extensive ethnographic research Anita Carrasco examines the socio environmental impacts of contemporary mining on the Atacameño an indigenous community in northern Chile and their home in the Atacama Desert one of the driest regions in the world Carrasco describes the impacts of short term mining corporations like Anaconda Copper that arrived destroyed and departed and explains the positive and negative memories of those left behind *Embracing the Anaconda A Chronicle of Atacameño Life and Mining in the Andes* is recommended for students and scholars of anthropology sociology environmental studies race and ethnic studies and Latin American studies

When I'm Gone, Look for Me in the East Quan Barry, 2022-02-22 From the acclaimed author of *We Ride Upon Sticks* comes a luminous novel that moves across a windswept Mongolia as estranged twin brothers make a journey of duty conflict and renewed understanding A dazzling achievement The rhythms are more like prayer than prose and the puzzlelike plot yields revelations The New York Times Tasked with finding the reincarnation of a great lama a spiritual teacher who may have been born anywhere in the vast Mongolian landscape the young monk Chuluun sets out with his identical twin Mun who has rejected the monastic life they once shared Their relationship will be tested on this journey through their homeland as each possesses the ability to hear the other's thoughts Proving once again that she is a writer of immense range and imagination Quan Barry carries us across a terrain as unforgiving as it is beautiful and culturally varied from the western Altai mountains to the eerie starkness of the Gobi Desert to the ancient capital of Chinggis Khaan As their country stretches before them questions of faith along with more earthly matters of love and brotherhood haunt the twins Are our lives our own or do we belong to something larger When I'm Gone Look for Me in the East is a stunningly far flung examination of our individual struggle to retain our convictions and discover meaning in a fast changing world as well as a meditation on accepting what simply is **Domesticated** Richard C. Francis, 2015-05-18 Without domestication civilization as we know it

would not exist Since that fateful day when the first wolf decided to stay close to human hunters humans and their various animal companions have thrived far beyond nearly all wild species on earth Tamelessness is the key trait in the domestication of cats dogs horses cows and other mammals from rats to reindeer Surprisingly with selection for tameness comes a suite of seemingly unrelated alterations including floppy ears skeletal and coloration changes and sex differences It's a package deal known as the domestication syndrome elements of which are also found in humans Our highly social nature one of the keys to our evolutionary success is due to our own tameness In *Domesticated* Richard C Francis weaves history and anthropology with cutting edge ideas in genomics and evo devo to tell the story of how we domesticated the world and ourselves in the process

Narrating the Future in Siberia Olga Ulturgasheva, 2012-09-01 The wider cultural universe of contemporary Eveny is a specific and revealing subset of post Soviet society From an anthropological perspective the author seeks to reveal not only the Eveny cultural universe but also the universe of the children and adolescents within this universe The first full length ethnographic study among the adolescence of Siberian indigenous peoples it presents the young people's narratives about their own future and shows how they form constructs of time space agency and personhood through the process of growing up and experiencing their social world The study brings a new perspective to the anthropology of childhood and uncovers a quite unexpected dynamic in narrating and foreshadowing the future while relating it to cultural patterns of prediction and fulfillment in nomadic cosmology

The Raven's Gift Jon Turk, 2025-10-16 Noted scientist and kayak adventurer undertakes a journey of spiritual healing Jon Turk has kayaked around Cape Horn and paddled across the Pacific Ocean to retrace the voyages of ancient people But the strangest trip he ever took was the journey he made as a man of science into the realm of the spiritual In a remote Siberian village Turk met an elderly Koryak shaman named Moolynaut who invoked the help of a Spirit Raven to mend his fractured pelvis When the healing was complete he was able to walk without pain Turk finding no rational explanation sought understanding by traversing the frozen tundra where Moolynaut was born camping with bands of reindeer herders and recording stories of their lives and spirituality Framed by high adventure across the vast and forbidding Siberian landscape *The Raven's Gift* creates a vision of natural and spiritual realms interwoven by one man's awakening

The Call of the Honeyguide Rob Dunn, 2025-08-26 A must read David George Haskell that shows how rethinking our relationships with other species can help us reimagine the future of humankind In the woodlands of sub Saharan Africa sometime deep in our species past something strange happened a bird called out not to warn others of human presence but to call attention to herself Having found a beehive that bird a honeyguide sought human aid to break in The behavior can seem almost miraculous How would a bird come to think that people could help her Isn't life simply bloodier than that As Rob Dunn argues in *The Call of the Honeyguide* it isn't Nature is red in tooth and claw but in equal measure life works together Cells host even smaller life wrapped in a web of mutual interdependence Ants might go to

war but they also tend fungi aphids and even trees And we humans work not just with honeyguides but with yeast crops and pets Ecologists call these beneficial relationships mutualisms And they might be the most important forces in the evolution of life We humans often act as though we are all alone independent from the rest of life As The Call of the Honeyguide shows we are not It is a call to action for a more beneficent less lonely future
