Longacre, William Morgan, Charles
Sternbach**

The Reluctant American:

American Shame Myra Mendible, 2016-03-29 Essays examining the role of shame as an American cultural practice and how public shaming enforces conformity and group coherence On any given day in America's news cycle stories and images of disgraced politicians and celebrities solicit our moral indignation their misdeeds fueling a lucrative economy of shame and scandal Shame is one of the most coercive painful and intriguing of human emotions Only in recent years has interest in shame extended beyond a focus on the subjective experience of this emotion and its psychological effects The essays collected here consider the role of shame as cultural practice and examine ways that public shaming practices enforce conformity and group coherence Addressing abortion mental illness suicide immigration and body image among other issues this volume calls attention to the ways shaming practices create and police social boundaries how shaming speech is endorsed judged or challenged by various groups and the distinct ways that shame is encoded and embodied in a nation that prides itself on individualism diversity and exceptionalism Examining shame through a prism of race sexuality ethnicity and gender these provocative essays offer a broader understanding of how America's discourse of shame helps to define its people as citizens spectators consumers and moral actors An eclectic anthology it offers the readers more than one argument and perspective which makes the volume itself lively and rich Ron Scapp coeditor of *Fashion Statements On Style*

Appearance and Reality [The Fall of an American Rome](#) Quentin R. Skrabec Jr., 2014-03-01 This is the story of the de industrialization of America written by a Business professor with a background in steel company management who grew up in the city of Pittsburgh and loved its manufacturing environment The book is based on the facts and aims to avoid any partisan political viewpoint which is not as difficult as it may seem since both U S political parties support free trade economics The story does not single out the union the workers management politicians or American voters and consumers since there is plenty of blame to share Even the economic policy of the country since 1945 which clearly must carry a large portion of the blame was accepted for all the right reasons Free trade was to promote world peace and democracy No one foresaw the ancillary effects of the 1970s on the United States Yet this approach has brought destruction upon our cities workers managers and country The author's perspective is one of a love for American manufacturing and those once robust cities such as Detroit Toledo Pittsburgh Akron and so many others that drove forward the American economy **Mapping**

Generations of Traumatic Memory in American Narratives Dana Mihăilescu, Roxana Oltean, Mihaela Precup, 2014-06-12 This volume collects work by several European North American and Australian academics who are interested in examining the performance and transmission of post traumatic memory in the contemporary United States The contributors depart from the interpretation of trauma as a unique exceptional event that shatters all systems of representation as seen in the writing of early trauma theorists like Cathy Caruth Shoshana Felman and Dominick LaCapra Rather the chapters in this collection are in conversation with more recent readings of trauma such as Michael Rothberg's multidirectional memory 2009 the role

of mediation and remediation in the dynamics of cultural memory Astrid Erll 2012 Aleida Assman 2011 and Stef Craps focus on postcolonial witnessing and its cross cultural dimension 2013 The corpus of post traumatic narratives under discussion includes fiction diaries memoirs films visual narratives and oral testimonies A complicated dialogue between various and sometimes conflicting narratives is thus generated and examined along four main lines in this volume trauma in the context of multidirectional memory the representation of trauma in autobiographical texts the dynamic of public forms of national commemoration and the problematic instantiation of 9 11 as a traumatic landmark

Norwegian American Women Betty A. Bergland, Lori Ann Lahlum, 2011 Explores the vital role of women in the creation of Norwegian American communities from farm to factory and as caregivers educators and writers

The American Experience in World War II: The atomic bomb in history and memory Walter L. Hixson, 2003 World War II changed the face of the United States catapulting the country out of economic depression political isolation and social conservatism Ultimately the war was a major formative factor in the creation of modern America This unique twelve volume set provides comprehensive coverage of this transformation in its domestic policies diplomatic relations and military strategies as well as the changing cultural and social arenas The collection presents the history of the creation of a super power prior to during and after the war analyzing all major phases of the U S involvement making it a one stop resource that will be essential for all libraries supporting a history curriculum This volume is available on its own or as part of the twelve volume set *The American Experience in World War II* For a complete list of the volume titles in this set see the listing for *The American Experience in World War II* ISBN 0 415 94028 1

The American College and University Frederick Rudolph, 2011-07-01 First published in 1962 Frederick Rudolph's groundbreaking study *The American College and University* remains one of the most useful and significant works on the history of higher education in America Bridging the chasm between educational and social history this book was one of the first to examine developments in higher education in the context of the social economic and political forces that were shaping the nation at large Surveying higher education from the colonial era through the mid twentieth century Rudolph explores a multitude of issues from the financing of institutions and the development of curriculum to the education of women and blacks the rise of college athletics and the complexities of student life In his foreword to this new edition John Thelin assesses the impact that Rudolph's work has had on higher education studies The new edition also includes a bibliographic essay by Thelin covering significant works in the field that have appeared since the publication of the first edition At a time when our educational system as a whole is under intense scrutiny Rudolph's seminal work offers an important historical perspective on the development of higher education in the United States

Post-Orientalism and Contemporary American Novels Mousa Abu Haserah, 2023-08-09 This book provides a scientific and academic contribution to the scholarly exploration of the complex relationship between the East and the West in American literature The study focuses on four novels *Mornings in Jenin* *Falling Man* *The Reluctant Fundamentalist* and *Riyah Al Janna The Wind of Paradise*

to discuss how the literature reflects on Middle Eastern themes in relation to the situations and conditions of the New East It treats the Orient as a moving body and takes Edward Said s Orientalism into account also showing Post Orientalism or the New East as a literary phenomenon in the 21st century specializing in politics militarism and post colonial ideology The book explains and divides the Middle East into two parts the Arab Islamic Middle East and the non Arab Islamic Middle East It highlights the similarities and differences between these two parts as depicted in various novels presenting the East as a land of desolation and destruction due to the political regional and religious changes that have shaken it **American Empire**

Andrew J. BACEVICH, 2009-06-30 In a challenging provocative book Andrew Bacevich reconsiders the assumptions and purposes governing the exercise of American global power Examining the presidencies of George H W Bush and Bill Clinton as well as George W Bush s first year in office he demolishes the view that the United States has failed to devise a replacement for containment as a basis for foreign policy He finds instead that successive post Cold War administrations have adhered to a well defined strategy of openness Motivated by the imperative of economic expansionism that strategy aims to foster an open and integrated international order thereby perpetuating the undisputed primacy of the world s sole remaining superpower Moreover openness is not a new strategy but has been an abiding preoccupation of policymakers as far back as Woodrow Wilson Although based on expectations that eliminating barriers to the movement of trade capital and ideas nurtures not only affluence but also democracy the aggressive pursuit of openness has met considerable resistance To overcome that resistance U S policymakers have with increasing frequency resorted to force and military power has emerged as never before as the preferred instrument of American statecraft resulting in the progressive militarization of U S foreign policy Neither indictment nor celebration American Empire sees the drive for openness for what it is a breathtakingly ambitious project aimed at erecting a global imperium Large questions remain about that project s feasibility and about the human financial and moral costs that it will entail By penetrating the illusions obscuring the reality of U S policy this book marks an essential first step toward finding the answers Table of Contents Preface Introduction 1 The Myth of the Reluctant Superpower 2 Globalization and Its Conceits 3 Policy by Default 4 Strategy of Openness 5 Full Spectrum Dominance 6 Gunboats and Gurkhas 7 Rise of the Proconsuls 8 Different Drummers Same Drum 9 War for the Imperium Notes

Acknowledgments Index Reviews of this book A straightforward critical interpretation of American statecraft in the 1990s he is straightforward too in establishing where he stands on the political spectrum about US foreign policy Bacevich insists that there are no differences in the key assumptions governing the foreign policy of the administrations of Bush I Clinton and Bush II and this will certainly be the subject of passionate debate Bacevich s argument persuades by means of engaging prose as well as the compelling and relentless accumulation of detail Bring s badly needed perspective to troubled times James A Miller Boston Globe Reviews of this book For everyone there s Andrew Bacevich s American Empire an intelligent elegantly written highly convincing polemic that demonstrates how the motor of US foreign policy since independence has

been the need to guarantee economic growth Dominick Donald The Guardian Reviews of this book Andrew Bacevich's remarkably clear cool headed and enlightening book is an expression of the United States unadmitted imperial primacy It's as bracing as a plunge into a clear mountain lake after exposure to the soporific internationalist conventional wisdom Bacevich performs an invaluable service by restoring missing historical context and perspective to today's shallow hand wringing discussion of Sept 11 Bacevich's brave intelligent book restores our vocabulary to debate anew the United States purpose in the world Richard J Whalen Across the Board Reviews of this book To say that Andrew Bacevich's American Empire is a truly realistic work of realism is therefore to declare it not only a very good book but also a pretty rare one The author a distinguished former soldier combines a tough minded approach to the uses of military force with a grasp of American history that is both extremely knowledgeable and exceptionally clear sighted This book is indispensable for anyone who wants to understand the background to U S world hegemony at the start of the 21st century and it is also a most valuable warning about the dangers into which the pursuit and maintenance of this hegemony may lead America Anatol Levin Washington Monthly Reviews of this book American Empire is an immensely thoughtful book Its reflections go beyond the narrow realm of U S security policy and demonstrate a deep understanding of American history and culture David Hastings Dunn Political Studies Review I have long suspected our nation's triumphs and trials owed much to the American genius for solipsism and self deception Bacevich has convinced me of it by holding up a mirror to self styled idealists and realists alike Read all the books you want about the post Cold War post 9 11 world just be sure American Empire is one of them Walter A McDougall Pulitzer Prize winning historian University of Pennsylvania This deeply informed impressive polemical book is precisely what Americans in and outside of the academy needed before 9 11 and need now even more Crisp lively biting prose will help them enjoy it Among its many themes are hubris hegemony and the fatuousness of claims by the American military that they can now achieve transparency in war making Michael S Sherry Northwestern University The United States could not possibly have an empire Americans think But we do And with verve and telling insight Andrew Bacevich shows how it works and what it means Ronald Steel author of Temptations of a Superpower America's Foreign Policy after the Cold War

Herbert Woodward Martin and the African American Tradition in Poetry Ronald Primeau, 2004 Herbert Woodward Martin is a prize winning poet and performer an actor and playwright a singer and opera librettist a professor and a scholar Born in Alabama in 1933 and educated in Toledo and New York Martin has lived and worked most of his life in Ohio His parents appreciated literature and music and saw to it that their young son was immersed in the arts The family moved to Toledo Ohio when Herbert was twelve years old He began to write poetry during his undergraduate years at the University of Toledo from which he graduated in 1964 Herbert Woodward Martin and the African American Tradition in Poetry chronicles the writing and performing career of Herbert W Martin focusing on the way his life has informed his art and situating his creative work within the context of the African American tradition in poetry Author Ronald Primeau examines Martin's place

in American literature with particular emphasis on his multidisciplinary talents and his contributions to the arts through his highly regarded performances of poetry especially that of Paul Laurence Dunbar and his acting playwriting and composing Even though Martin's work is highly regarded has been anthologized History of the American Civil War: Containing the causes of the war, and the events preparatory to it, up to the close of President Buchanan's administration John William Draper, 1871 **The Cambridge Companion to Twenty-First Century American Fiction** Joshua Miller, 2021-09-23 This volume explores the most exciting trends in 21st century US fiction's genres themes and concepts A Certain Tendency of the Hollywood Cinema, 1930-1980 Robert B. Ray, 1985-05-21 An analysis of the ideologies and artistic conventions of American movies includes examinations of films such as Casablanca Taxi Driver and The Godfather **National Security Entrepreneurs and the Making of American Foreign Policy** Vincent Boucher, Charles-Philippe David, Karine Prémont, 2020-11-12 Since the advent of the contemporary US national security apparatus in 1947 entrepreneurial public officials have tried to reorient the course of the nation's foreign policy Acting inside the National Security Council system some principals and high ranking officials have worked tirelessly to generate policy change and innovation on the issues they care about These entrepreneurs attempt to set the foreign policy agenda frame policy problems and solutions and orient the decision making process to convince the president and other decision makers to choose the course they advocate In National Security Entrepreneurs and the Making of American Foreign Policy Vincent Boucher Charles Philippe David and Karine Prémont develop a new concept to study entrepreneurial behaviour among foreign policy advisers and offer the first comprehensive framework of analysis to answer this crucial question why do some entrepreneurs succeed in guaranteeing the adoption of novel policies while others fail They explore case studies of attempts to reorient US foreign policy waged by National Security Council entrepreneurs examining the key factors enabling success and the main forces preventing the adoption of a preferred option the entrepreneur's profile presidential leadership major players involved in the policy formulation and decision making processes the national political context and the presence or absence of significant opportunities By carefully analyzing significant diplomatic and military decisions of the Johnson Nixon Reagan and Clinton administrations and offering a preliminary account of contemporary national security entrepreneurship under presidents George W Bush Barack Obama and Donald Trump this book makes the case for an agent based explanation of foreign policy change and continuity **The Cambridge Companion to Transnational American Literature** Yogita Goyal, 2017-02-13 For two decades the transnational turn in literary studies has generated enormous comment and controversy This Companion provides a comprehensive account of the scope impact and critical possibilities of the transnational turn in American literary studies It situates the study of American literature in relation to ethnic postcolonial and hemispheric studies Leading scholars open up wide ranging examinations of transnationalism in American literature through form and aesthetics theories of nation gender sexuality religion and race as well as through conventional forms of historical

periodization Offering a new map of American literature in the global era this volume provides a history of the field key debates and instances of literary readings that convey the way in which transnationalism may be seen as a method not just a description of literary work that engages more than one nation Contributors identify the key modes by which writers have responded to major historical political and ethical issues prompted by the globalization of literary studies **American Libraries and the Internet: The Social Construction of Web Appropriation and Use** Bin Li,2007 The Great American Carbonate Bank James Derby,Richard Fritz,Susan Longacre,William Morgan,Charles Sternbach,2013-01-20 Hardcover plus DVD The Transformation of American Political Culture and the Impact on Foreign Strategy PAN Yaling,2021-12-30 This book examines the interplay between political culture and diplomatic strategy in the U S revealing the transformation of American political culture and its impact on the country s foreign strategy The theoretical pivot of this study is an analysis of the dynamics of political culture and the mechanisms of the interaction between political culture and diplomatic strategy Given this premise the core chapters revisit the historical transformations of American political culture and analyze the responses and countermeasures taken to attempt to reverse the perceived decline in American hegemony during the presidencies of George W Bush Barack Obama and Donald Trump factors interwoven with security economic and institutional crises The discussion describes the landscape and evolution of contemporary American political culture and the correlated adjustments of U S global strategy over the course of the twenty first century Given the myriad of challenges and political legacies left by its predecessors the author gives a pessimistic prognosis of the prospect of resolving America s political plight by the Joe Biden administration The title will be a valuable reference for academic and general readers interested in American politics U S diplomatic strategy and international relations *Around the World with Historical Fiction and Folktales* Beth Bartleson Zarian,2004 As more school districts undergo the painstaking task of curriculum integration resources that offer children an opportunity to live vicariously in times and places they cannot experience any other way become increasingly necessary Whether two teachers are covering the same topic in separate classes e g English and history or designing a thematic unit with the school librarian this book will assist all parties in the selection of high quality literature In this handy guide to nearly 800 award winning historical fiction for Kindergarten through 8th grade Beth Zarian literally spans the globe Entries are first divided into three sections American history world history and myths and folklore then chronologically from prehistoric times to present day and finally by grade level Each entry is accompanied by a short annotation For anyone wishing to teach historical facts in an entertaining way *Around the World with Historical Fiction and Folktales* is the only way to travel **Untold Stories of the American Revolution: Breaking Myths, Uncovering Truths** Pasquale De Marco,2025-03-15 In the annals of American history the Revolutionary War stands as a pivotal moment a tempestuous clash of ideologies that birthed a nation This book offers a fresh perspective on this transformative era unearthing untold stories and shattering long held myths to reveal the complexities and nuances of the conflict Journey

through the tumultuous events that unfolded from the kindling of discontent in the colonies to the final echoes of gunfire at Yorktown Witness the rise of iconic figures like George Washington Benjamin Franklin and Thomas Jefferson and discover the unsung heroes whose contributions shaped the course of the war Delve into the political and diplomatic maneuvers that shaped the conflict exploring the intricate web of alliances and rivalries that influenced the outcome Unravel the economic and social forces that fueled the flames of revolution and gain a deeper understanding of the motivations that drove both sides to fight for their beliefs This book is more than just a retelling of historical events it is an invitation to engage with the past to question conventional narratives and to gain a fresh perspective on the American Revolution It is a journey through time a voyage into the heart of a revolution that continues to inspire and challenge us to this day With captivating storytelling and meticulous research this book sheds new light on a pivotal moment in American history offering a deeper understanding of the events and forces that shaped a nation It is a must read for anyone seeking to truly comprehend the American Revolution and its enduring legacy If you like this book write a review **The American Year Book** ,1917
