Justice as Improvisation Sara Ramshaw, 2013 *Justice as Improvisation* The Law of the Extempore theorises the relationship between justice and improvisation through the case of the New York City cabaret laws Discourses around improvisation often imprison it in a quasi ethical relationship with the authentic singular other The same can be said of justice This book interrogates this relationship by highlighting the parallels between the aporetic conception of justice advanced by the late French philosopher Jacques Derrida and the nuanced approach to improvisation pursued by musicians and theorists alike in the new and emerging interdisciplinary field of Critical Studies in

Improvisation CSI Justice as Improvisation re imagines justice as a species of improvisation through the formal structure of the most basic of legal mechanisms judicial decision making offering law and legal theory a richer more concrete understanding of justice Not further mystery or mystique but a negotiation between abstract notions of justice and the everyday practice of judging Improvisation in judgment calls for ongoing practical decision making as the constant negotiation between the freedom of the judge to take account of the otherness or singularity of the case and the existing laws or rules that both allow for and constrain that freedom Yes it is necessary to judge yes it is necessary to decide but to judge well to decide justly that is a music lesson perhaps best taught by critical improvisation scholars The Byline Bible Susan Shapiro,2018-08-21 Newspaper magazine and web editors are desperate for new voices and anyone in any field can break in So why not you Over the last two decades writing professor Susan Shapiro has taught more than 25 000 students of all ages and backgrounds at NYU Columbia Temple The New School and Harvard University Now in The Byline Bible she reveals the wildly popular Instant Gratification Takes Too Long technique she s perfected sharing how to land impressive clips to start or re launch your career In frank and funny prose the bestselling author of 12 books walks you through every stage of crafting and selling short nonfiction pieces She shows you how to spot trendy subjects where to start finish and edit and divulges specific steps to submit work have it accepted get paid and see your byline in your favorite publication in lightning speed With a foreword by Peter Catapano long time editor at the New York Times where many of Shapiro s pupils have first seen print this book offers everything you need to learn to write and sell your story in five weeks or less including How to craft a cover letter and subject heading to get read and reviewed quickly Who pay for essays op eds regional humor or service pieces from unknown writers Ways to follow up build on your success land a TV or radio spot become a regular contributor staff writer and find a literary agent for your book with one amazing clip Whether you re just starting out or ready to enhance your professional portfolio this essential guide will prove that three pages can change your life **Rejected** Jon Friedman,2009-01-27 Besides being born and dying the most common human experience is being rejected dissed dumped on or downsized by lovers parents and employers Now here s a hilarious collection of rejection stories and rejected works by some of today s most accomplished comic writers and performers some world famous sharing their pieces that were ripped to pieces and their own experiences of being handed their hats heads and hearts on a platter Bob Witfong recalls being hired as a correspondent by The Daily Show but never called in to work then being fired by mistake then going on air and called creepy by bloggers and then actually being fired Meredith Hoffa has her pubescent crush destroyed by a new haircut modeled on Mary Stuart Masterson s in Some Kind of Wonderful just when the size of my face and body had caught up to the gigantic size of my teeth Joel Stein celebrity interviewer for Time receives an earful from Buddy Hackett who before slamming down the phone says You re being kind of what do you call it I don t know those wise guy papers Tabloids Dave Hill offers his piece for a British lad mag in which he went undercover with a police vice squad an article killed because he didn t
