artists *Adapting Stephen King* Joseph Maddrey, 2022-12-20 Stephen King's fiction has formed the basis of more motion picture adaptations than any other living author. His earliest short stories collected in the Night Shift anthology have been adapted into hit features including Creepshow, Children of the Corn, Cat's Eye, Maximum Overdrive, Graveyard Shift, Sometimes They Come Back, and The Mangler. Through his Dollar Baby program, King licensed several Night Shift stories to aspiring filmmakers for just one dollar each, resulting in numerous student film adaptations. This book critically examines and contextualizes adaptations of the Night Shift short stories from big box office features to relatively unknown student films. It illuminates how each film is a uniquely and intricately collaborative endeavor and charts the development of each adaptation from first option to final cut. Through old and new interviews with the creators, the work explores how filmmakers continue to reinvent, reimagine, remake, and reboot King's stories. *The Shining* Stephen King, 1987-09 Four stories by Stephen King: The Shining, Salem's Lot, Night Shift, and Carrie. *The Complete Stephen King Universe* Stanley Wiater, Christopher Golden, Hank Wagner, 2006-05-30 The Stephen King companion to end all Stephen King companions. An indispensable insider's guide to his influences, stories, adaptations, and more. Publishers Weekly: The Stephen King Universe is a vast expanse of grotesque horror, dark magic, and fearsome wonder. Conjured from our man's imagination, it is an ever-expanding kingdom of twisting dark pathways, a place where one might easily get lost without guidance. The Complete Stephen King Universe is the only definitive reference work that examines all of Stephen King's novels, short stories, motion pictures, miniseries, and teleplays and deciphers the threads that connect all of his work. This ultimate resource includes in-depth story analyses, character breakdowns, little-known facts, and startling revelations on how the plots, themes, characters, and conflicts intertwine.
