## **Steps Times Two Love And Life The Second Time Around:**

*The Second Time Around* Chuck Dozier, 2013-04-12 Book Description Second Time Around This book depicts marriage disappointments and disillusion from a male perspective Most men are fundamentally good and can resist the temptations of infidelity when given a choice The challenges of dealing with a wife that constantly pushes them to the margin of her life can often be too much for some men to bear As a young man right out of college Norman was assigned by his company to a territory in southern Pennsylvania While living there Norman met Gail an attractive middle aged woman that was ten years his senior with a teenage daughter Gail and Norman became inseparable and very much in love Neither of them felt any pressure to get married After six years Norman was promoted and had to transfer to another part of the country Fearing that their age difference would cause their relationship to fade Gail opted to stay in Pineville and they drifted apart Many years later when their paths crossed again Gail realized that she was still in love with the man that she had considered her soul mate However Norman was now married with two kids and based in Seattle His marriage is unstable and Gail soon realizes that there might be a second chance to have the man she has loved for nearly half her life With his judgment clouded by the lack of attention from his wife Norman begins to feel that he might have chosen the wrong woman for his life partner
