Callahan,2015 To understand how China is shaping the twenty first century William Callahan s *China Dreams* eavesdrops on conversations between officials scholars bloggers novelists film makers and artists Rather than pitting Confucian China against the democratic west Callahan weaves Chinese and American ideals together to describe a new Chimerican dream **Rethinking American Grand Strategy** Elizabeth Borgwardt,Christopher McKnight Nichols,Andrew Preston,2021 A wide ranging rethinking of the many factors that comprise the making of American Grand Strategy What is grand strategy What does it aim to achieve And what differentiates it from normal strategic thought what in other words makes it grand In answering these questions most scholars have focused on diplomacy and warfare so much so that grand strategy has become almost an equivalent of military history The traditional attention paid to military affairs is understandable but in today s world it leaves out much else that could be considered political and therefore strategic It is in fact possible to consider and even reach a more capacious understanding of grand strategy one that still includes the battlefield and the negotiating table while expanding beyond them Just as contemporary world politics is driven by a wide range of non military issues the most thorough considerations of grand strategy must consider the bases of peace and security including gender race the environment and a wide range of cultural social political and economic issues *Rethinking American Grand Strategy* assembles a roster of leading historians to examine America s place in the world Its innovative

chapters re examine familiar figures such as John Quincy Adams George Kennan and Henry Kissinger while also revealing the forgotten episodes and hidden voices of American grand strategy They expand the scope of diplomatic and military history by placing the grand strategies of public health race gender humanitarianism and the law alongside military and diplomatic affairs to reveal hidden strategists as well as strategies
