Stearns, 1999-10 The primary goal of World Civilizations The Global Experience Third Edition is to present a truly global history one that both discusses the development

of the world's leading civilizations and also emphasizes the major stages in the interactions among different peoples and societies. The book examines all the world's civilizations including those in the Western tradition but also those civilizations sometimes neglected in world history texts for example the nomadic societies of Asia, Latin America and the nations and states of the Pacific Rim. World Civilizations balances this discussion of independent developments in all the world's major civilizations with comparative analysis of the results of international contact. MARKET: Appropriate for anyone interested in World History.
