Teaching and Learning History Online A Guide for College Instructors offers everything a new online history instructor needs in one package including how to structure courses integrate multimedia and manage and grade discussions as well as advice for department chairs on curriculum management student advising and more In today's technological society online courses are quickly becoming the new normal in terms of collegiate instruction providing the ideal environment to flip the classroom and encourage students to hone critical thinking skills by engaging deeply with historical sources While much of the attention in online teaching focuses on STEM business and education courses online history courses have also proven consistently popular However due to the COVID 19 pandemic new history instructors are rushed into online teaching with little or no training or experience creating a need for a guide to ease the transition from classroom to online course development and teaching A timely text this book aims to provide both new and experienced college history teachers the information they need to develop dynamic online courses

Crossroads and Cultures, Volume C: Since 1750 Bonnie G. Smith, Marc Van De Mieroop, Richard von Glahn, Kris Lane, 2012-01-30

Crossroads and Cultures A History of the World's Peoples incorporates the best current cultural history into a fresh and original narrative that connects global patterns of development with life on the ground As the title *Crossroads* suggests this new synthesis highlights the places and times where people exchanged goods and commodities shared innovations and ideas waged war and spread disease and in doing so joined their lives to the broad sweep of global history Students benefit from a strong pedagogical design abundant maps and images and special features that heighten the narrative's attention to the lives and voices of the world's peoples

Test drive a chapter today Find out how **The Well-Trained Mind** Susan Wise Bauer, Jessie Wise, 2016-08-09

Is your child getting lost in the system becoming bored losing his or her natural eagerness to learn If so it may be time to take charge of your child's education by doing it yourself *The Well Trained Mind* will instruct you step by step on how to give your child an academically rigorous comprehensive education from preschool through high school one that will train him or her to read to think to understand to be well rounded and curious about learning

Veteran home educators Susan Wise Bauer and Jessie Wise outline the classical pattern of education called the trivium which organizes learning around the maturing capacity of the child's mind and comprises three stages the elementary school grammar stage when the building blocks of information are absorbed through memorization and rules the middle school logic stage in which the student begins to think more analytically and the high school rhetoric stage where the student learns to write and speak with force and originality Using this theory as your model you'll be able to instruct your child whether full time or as a supplement to classroom education in all levels of reading writing history geography mathematics science foreign languages rhetoric logic art and music regardless of your own aptitude in those subjects Thousands of parents and teachers have already used the detailed book lists and methods described in *The Well Trained Mind* to create a truly superior education for the children in their care This extensively revised

fourth edition contains completely updated curricula and book lists links to an entirely new set of online resources new material on teaching children with learning challenges cutting edge math and sciences recommendations answers to common questions about home education and advice on practical matters such as standardized testing working with your local school board designing a high school program preparing transcripts and applying to colleges You do have control over what and how your child learns The Well Trained Mind will give you the tools you ll need to teach your child with confidence and success
