- **Communication activities:** *Student's Book* pages 138 & 140
- **Pairwork.** Put students into A and B pairs and ask them to turn to their respective pages and study the photo.
- They then work with their partner and show each other their photo. They describe the similarities and differences between the two photos and decide what links them.
- Refer students to the *Useful language* box below the exercise to help them.

That people sometimes use animals to work and entertain them.

- **Pairwork.** Students use the categories in the box to discuss with a partner the different ways animals are used by humans.

Possible answers:

leisure/entertainment: circuses
research: testing on animals for medical purposes or to test cosmetics
security: sniffer dogs to test for drugs or explosives at airports; to protect property
sport: horseracing; greyhound racing; fox hunting
work: dogs for the blind and other disabilities;
workhorses for pull carts; mules and camels to carry people's belongings in some countries

- Pairs join up with another pair to compare their ideas in exercise 2. They then discuss the questions.

DID YOU KNOW?

- **Pairwork.** Students read the information and discuss the questions.
- You could then ask students to report back briefly on anything interesting they heard in their discussions.
