How Feelings Help us Learn

When a character experiences a major change in how they're feeling, we can often learn a lesson from whatever they are going through. Write about three points in the story that Travis experiences a major change in his feelings, such as from bad to better, or from happy to sad. Then, write about what lessons the character or the reader can learn from them.

LESSONS LEARNED

CHANGE IN EMOTION: WHAT AND WHY

Chapters 1-2

Vocabulary: Write about the responsibilities you have at home.

Vocabulary: Fill in the blanks.

- After her mother scolded her for making such a gigantic mess, the child _____ in the corner.
- My dad's face became _____ as I told him all about my worries.
- When we first bought the house, it was _____ and faded, but cleaning and painting it improved it significantly.
- The delicious aroma wafting to my room from the kitchen _____ my appetite for dinner.

Composition and Analysis: Answer the questions.

- Using the words *First*, *Next*, and *Last*, write about the setting of the story. Include what you know so far.

Antonetti, James R. Garver, 2015-02-20 Most educators are skilled at planning instruction and determining what they will do during the course of a lesson However to truly engage students in worthwhile rigorous cognition a profound shift is necessary a shift in emphasis from teaching to learning Put another way we know that whoever is doing the work is also doing the learning and in most classrooms teachers are working much too hard Authors John V Antonetti and James R Garver are the designers of the Look 2 Learning model of classroom walkthroughs They've visited more than 17 000 classrooms examining a variety of teaching and learning conditions talking to students examining their work and determining their levels of thinking and engagement From this vast set of data they've drawn salient lessons that provide valuable insight into how to

smooth the transition from simply planning instruction to designing high quality student work The lessons John and Jim have learned from their 17 000 and counting classroom visits can't be wrong They share those lessons in this book along with stories of successful practice and practical tools ready for immediate classroom application The authors also provide opportunities for reflection and closure designed to help you consider or reconsider your current beliefs and practices Throughout you will hear the voices of John and Jim and the thousands of students they met as they provide a map for shifting the classroom dynamic from teaching to learning Summertime Learning, Grade 4 Teacher Created Resources,2010-04 Heres the question parents ask at the end of every school year How can we help our kids prepare for the next school year while allowing them to enjoy their summer vacation Heres the perfect answer short lessons presented in a daily schedule for 8 weeks The MondayThursday lessons cover a variety of grade appropriate subjects Fridays lessons are fun brain teasing kinds of activities All of the lessons can be done in about 30 minutes leaving children with plenty of time for play Each book includes over 300 stickers that can be used to track progress and reward good work Reading Between the Lines Gene Edward Veith Jr.,2013-01-31 Here is a guidebook for those who want to learn how to recognize books that are spiritually and aesthetically good to cultivate good literary taste Gene Edward Veith presents basic information to help book lovers understand what they read from the classics to the bestsellers He explains how the major genres of literature communicate He explores ways comedy tragedy realism and fantasy can portray the Christian worldview These discussions lead to a host of related topics the value of fairy tales for children the tragic and the comic sense of life the interplay between Greek and Biblical concepts in the imagination and the new post modernism a subject of vital importance to Christians In the pages of this book readers will meet writers past and present who carry on a great literary tradition By supporting worthy authors Christians can exert a powerful influence on their culture **A Guide for Using the Call of the Wild in the Classroom** Philip Denny,1995-05 Includes sample lesson plans pre and post reading activities a biographical sketch of the author book summary vocabulary list and suggested vocabulary activities book report ideas research ideas a culminating activity options for unit tests bibliography and answer key **The All-American Industrial Motel** Doug Crandell,2007-03 This volatile memoir from Doug Crandell weaves a darkly comic and thoroughly heartbreaking coming of age tale set in 1990 as the author is about to graduate from college With very few job prospects and in need of tuition money he joins his father working at a ceiling tile factory in tiny Lagro Indiana As his father moves headlong into a midlife crisis complete with a bad toupee and a penchant for drinking on the job Crandell's mother struggles with depression and talks in the third person as she manages a fast food joint where she compels her crew to dress in homemade costumes As the author struggles to finish his degree he also fights the urge to stay where he is and end up a lifer like his father But before long the monotonous work takes its toll on Crandell making him realize just how similar he and his dad are From their joint substance abuse to their feelings about the coworkers they watch buried from asbestosis the Crandell men struggle to find a way to communicate This

powerful book explores themes of modern manhood hope and the power of labor to bring together workers families and even macho men *Curriculum II [literature-centered]* Florida State University. Curriculum Study Center in English,1964
