What is Philosophy?

PHIL-201/Liberty University

Lesson Overview

Welcome to this introductory course in philosophy. For our first lesson, we are going to examine the question: What is philosophy? There are 4 ways you can get to know what a discipline is: define it, describe it, contrast and compare it with other disciplines, and finally experience it. In this first lesson, we will aim to accomplish the first 3 of these activities. The rest of the course will be an exercise in experiencing philosophy.
