University of Michigan Official Publication University of Michigan,1974 Each number is the catalogue of a specific school or college of the University **The Manifesto** E. Paul Torrance,2002-08-30 More than 40 years ago E Paul Torrance undertook to study creativity in students and study whether it would predict their creative achievements as adults He and his colleagues wanted to determine what other factors influence predict encourage or sustain their creativity over time There has never been a longitudinal study of creativity of this magnitude Its findings will be useful to and have implications for several audiences parents teachers counselors especially vocational counselors university and college instructors and educational administrators The Manifesto for Children was developed on the basis of the responses of 215 young adults who had attended two elementary schools in Minnesota from 1958 to 1964 They had been administered some creativity tests each

year and they were followed up in 1980 On the basis of their questionnaire responses the Manifesto was developed to describe their ongoing struggle to maintain their creativity and use their strengths to create their careers and to provide guidance to children In 1998 they were followed up to assess their creative achievements and to validate the Manifesto Some of the participants had attained eminence while others had attained only mediocre careers From Ghosts to Graduates Emily Freeland,2022-12-30 From Ghosts to Graduates is a timely book that recognizes that three years of interrupted learning has created an impending dropout timebomb of students who are traditionally at risk as well as those who became disengaged during pandemic learning Many students are ghosts in the system they have become disconnected and disenchanted with schooling Instead of only addressing strategies to treat the symptoms of dropping out this important resource addresses the causes of the disengagement that led to those symptoms Author Emily Freeland shows how to identify existing and potential ghosts how to reconnect students to the learning process and communicate that we see them and believe in them how to overcome barriers to progress and how to restore hope Each chapter offers current research and practical strategies as well as Do Now and Reflection sections to help you apply the ideas as you read With the deliberate practices in this book you ll be able to change the trajectory of the ghosting trend and help more of your students be seen
