There are regular features within each chapter which capture skills, present case studies and highlight ideas for SBA. Questioning relevant to topics and themes is graduated from a basic level to exam level questions at the end of chapters to stretch the pupil. **CXC Social Studies Essentials** Mervyn C. Sandy, Stephenson C. Grayson, 2000 **Social Studies for the Caribbean**, 2002 Fully meets the requirements of the latest CSEC syllabus. Activities develop Social Studies skills and exam practice questions help students prepare for their exam. *Ancient and Indigenous Wisdom Traditions in the Americas* Ehaab Abdou, Theodore Zervas, 2024-08-01 This book brings attention to the understudied and often overlooked question of how curricula and classroom practices might inadvertently reproduce exclusionary discourses and narratives that omit or negate particular cultures, histories and wisdom traditions. With a focus on representations and classroom practices related especially to ancient and Indigenous wisdom traditions and cultures, it includes unique contributions from scholars studying these questions in various contexts. The book offers a range of important studies from various contexts across the Americas including Canada, the various member nations of the Caribbean Community CARICOM, Puerto Rico and the United States. The various chapter contributions address and discuss nuances of each of the contexts under study. The contributions also help highlight some key commonalities across these contexts including how dominant discourses and various forces have historically shaped and continue to shape and reproduce such omissions, misrepresentations and marginalization. In addition to seeking to reconcile with some of these ancient and Indigenous wisdom traditions and cultures, the book charts a path forward toward more holistic analytical frameworks as well as more inclusive and balanced representations and classroom practices in these aforementioned geographic contexts and beyond. It will appeal to scholars, researchers, undergraduate and graduate students with interests in Indigenous education, curriculum studies, citizenship education, history of education, religion and educational policy. *Resources in Education*, 1998-07 **Social Studies Essentials for CSEC with SBA, Study Guide and Exercises** Mervyn Sandy, 2012 *Social Studies* Stephenson Brathwaite, Phyllis Reynolds, Caribbean Examinations Council, 2004 Guide provides both in-school and out-of-school candidates with resource materials which should help them in preparing for the CXC Social Studies examinations.
