To determine model and year of manufacture of Suzuki outboard motors, refer to numbers located on motor clamp bracket. The first six characters indicate the model and second six characters are motor serial number. The first character of serial number indicates year of manufacture. The years 1977, 1978 and 1979 are identified by the letters "C," "D" and "F" respectively. Starting with 1980, the first number in serial number corresponds with model year. For example, if first number in serial number is 1, model year is 1981.

Environmental Health Perspectives ,1993 Semantic Polarities and Psychopathologies in the Family Valeria

Ugazio, 2013-08-21 The gap between psychotherapeutic practice and clinical theory is ever widening Therapists still don t know what role interpersonal relations play in the development of the most common psychopathologies Valeria Ugazio bridges this gap by examining phobias obsessive compulsions eating disorders and depression in the context of the family using an intersubjective approach to personality Her concept of semantic polarities gives a groundbreaking perspective to the construction of meaning in the family and other interpersonal contexts At no point is theory left in the wasteland of abstraction The concreteness of the many case studies recounted and examples taken from well known novels will allow readers to immediately connect the topics discussed with their own experience
