Girl's Tears (The Poetry) DeShon E. Rowland, 2014-07-25 A black girl's tears are poems that take you on my journey of heartbreak hope family and love When you first see the title I'm sure you assume that this book is full of sad poems but I've learned that tears are a form of strength in many ways If the sun shined all the time nothing could grow things would burn up and there would be no harvest Tears are like the rain they help to cleanse and come in many forms They can derive from joy pain confusion frustration happiness and LIFE This is a collection of my thoughts my heart my faith and my voice I hope when you read this you are able to connect to some of the things I have gone through What I hope more than anything is that the message I'm trying to convey reaches you and that message is love At the end of the day love is all that matters and I will always believe in the power of true love I feel I was created to share these words and I've been waiting my entire life for this The tears that this black girl has cried have brought me to this moment I hope you enjoy **That First Kiss** J.
