From small beginnings in the early 1970s, Alpha has grown to become a global success. Churches from across the denominational spectrum have enthusiastically seized upon the course, seeing it as the remedy for declining church attendance. Inside Alpha explores such claims through richly grounded qualitative research on six Alpha courses. It assesses Alpha's primary aim of converting non-churchgoers and its longer term goal of spiritual maturity. Colossians 1:28-29. It questions whether the Alpha program is as successful as it claims at uniting evangelism and discipleship, mission and spiritual formation. This is an invaluable study for those in the academy and the church who have an interest in ecclesiology and mission. How exactly is one to understand conversion? What is it to be Christian? How does ambiguity and doubt fit within one's journey of faith? The importance of this work is in discovering through an engagement with Alpha how people might appropriately be initiated into and discipled within the Christian faith in contemporary culture. **Marriage Course Leader's Guide** Nicky Lee, Sila Lee, 2018-08-21 Marriage Course developed by Nicky and Sila Lee is a seven session study designed to help couples obtain the tools to build a strong and healthy relationship that lasts a lifetime.
